Israel in Exile Ranen Omer-Sherman, 2010-10-01 Israel in Exile is a bold exploration of how the ancient desert of Exodus and Numbers as archetypal site of human liberation forms a template for modern political identities radical skepticism and questioning of official narratives of the nation that appear in the works of contemporary Israeli authors including David Grossman Shulamith Hareven and Amos Oz as well as diasporic writers such as Edmund Jabès and Simone Zelitch In contrast to other ethnic and national representations Jewish writers since antiquity have not constructed a neat antithesis between the desert and the city or nation rather the desert becomes a symbol against which the values of the city or nation can be tested measured and sometimes found wanting This book examines how the ethical tension between the clashing Mosaic and Davidic paradigms of the desert still reverberate in secular Jewish literature and produce fascinating literary rewards Omer Sherman ultimately argues that the ancient encounter with the desert acquires a renewed urgency in response to the crisis brought about by national identities and territorial conflicts

Who Are You To Judge? Erwin W. Lutzer, 2008-09-01 A church that has made its peace with the world can no longer affect it As 21st century Christians we have settled down to a complacent form of faith that demands very little of us and thus makes very little impact on the world When secular values infiltrate the church we accept them without a twinge of conscience and congratulate ourselves on our tolerance We believe that we no longer have the right to challenge secular trends and decisions in or out of the church Erwin Lutzer looks at today's world and confronts us with our responsibility as believers in the church of Jesus Christ to again be a force for what is right not easy
