The Miracle Of The Good Seed:

The Miracle of Good Seed , *Harvest Of Multiple Miracles* Tella Olayeri,2022-10-30 We are born to sow good seeds of life and harvest in multiples People that achieve this are few The challenge is non Christians dominate upper class in the world leaving middle class and low class to Christians despite God s promise of giving us dominion and abundance The truth is we leave gap for Foreigners to overtake us This book goes a long way to address our stand in the harvest palace that generates miracles Most Christians swallow pills of backwardness that refuse them to march forward in life They work but nothing or little to show for it Some pray without getting result The worst of it is many don t pray at all There are basic powers we must fight to experience change and steps to take and swim in the ocean of miracle This book addresses it all You must take authority in Christ to let your eagle soar and fly high in the spirit There is no excuse to be at the back seat anymore Mourning is over joy is dawn Strongholds are broken Enemies are silenced Dark powers that exchange destiny in the spirit are rebuked and silenced forever Prayers vomited by the Holy Spirit are foods you need in the spirit This book provides it all This book is an eye opener When you dig deep in the messages of this book you will have cause to praise God This book will lift you high spiritually and will endeavour you harvest the followings 1 Every stronghold holding you down in the spirit shall disappear and paralyze forever 2 Bad imaginations in the heart shall melt away 3 Witchcraft powers that steal bury or swallow your destiny shall vomit them exhume them and return all to you 4 Heavenly protection shall be yours 24 hours every day 5 Satanic materials meant for you in the spirit shall catch fire and roast to ashes while owners of evil load shall carry their loads 6 The windows and gates of heaven shall open unto you and you will be blessed 7 The Lord will welcome you to his secret place of glory for great breakthroughs 8 The Lord will fulfill his agenda in your life Satan will only look but be helpless 9 The secrets of harvest shall open to you The seeds of greatness in your hands shall not be swallowed by the enemy 10 Anointing to exploit and be great shall flow on your head It is time you rise and shine Your harvest is in your hands It is time to celebrate the Lord This book will speak volume in your life You are rebooted restarted and reawaken Good luck

Wild Oats Dr. Joseph B. Christopherson,2016-01-07 Wild Oats takes an honest look at Gods redemptive character When the fruit of past behaviors revisit a person it is in Gods character to turn the

situation around from something negative to something positive Likewise when a persons conduct is pure and productive the visitation in future years can be rewarding Wild Oats was birthed out of the well known life principle that we reap what we sow The message is that it is never too late to stop destructive conduct and begin to purposefully focus on healthy behaviors Becoming alert and adopting solutions that prevent problems can not only change individuals and families it can also change generations It is the authors hope to equip the reader with the skills needed to discover answers that lead to peace with God family loved ones and him or herself

Houston,1994-04-21 Suppose that one is presented with a report of a miracle as an exception to nature s usual course Should one believe the report and so come to favour the idea that a god has acted miraculously Hume argued that no reasonable person should do anything of the kind Many religiously sceptical philosophers agree with him and have both defended and developed his reasoning Some theologians concur or offer other reasons why those who are believers in God should also refuse to accept accounts of miracles as accurate reportage This book argues to the contrary For Houston miracle stories may contribute towards the reasonableness of belief in God and appropriately attested may be accepted by believers in God To bolster his case he examines historically and intellectually significant writings about the miraculous And having argued for the rejection of Hume he explores the implications of this rejection for science history and theology
