The Mirrored Window Focus Groups From A Moderators Point Of View

Pasquale De Marco

The Mirrored Window Focus Groups From A Moderators Point Of View:

The Mirrored Window Judith Langer, 2001 Want to get more useful results from your focus groups America's top moderator created this how to handbook that shows you how Includes a career's worth of tips tactics and step by step advice Focus groups are expensive They can cost thousands per session Plus they can take weeks from start to finish to implement and analyze In the end the client may use results to inform million dollar decisions The book includes a case study of a qualitative research study into men's attitudes towards career family self image privacy and technology The real life transcripts included in this case study are fascinating and helpful for understanding how to probe consumers for useful answers

Focus Groups Graham R. Walden, 2008-07-07 This volume is the first of two volumes that address the most recent ten years 1997-2006 of focus group studies and research literature Volume one provides coverage of the arts and humanities social sciences and the nonmedical sciences and volume two concentrates on the medical and health sciences These volumes cover the English language academic literature books chapters in books journal articles and significant pamphlets available in libraries via interlibrary loan and online A variety of materials are included instructional guides handbooks reference works textbooks and academic journal literature In *Focus Groups Volume I* the following subject disciplines have been considered in the arts and humanities_ linguistics music religion and sports and leisure studies in the social sciences_ anthropology business cartography communication demography education law library science political science psychology and sociology and in the non medical sciences_ agriculture biology engineering environmental sciences and physics The selected entries have a minimum of four pages and include 29 books 50 book chapters 349 articles and 10 pamphlets for a total of 438 entries An appendix includes the titles of the 245 journals cited along with the appropriate entry numbers for each Author and subject indexes provide access to the contents with the subject index providing access to unique terms The detailed contents pages are designed to enable the reader to quickly find appropriate entries through the use of extensive and detailed subheadings

Focus Groups: Beyond the Mirrored Window Pasquale De Marco, 2025-05-03 In the realm of qualitative research focus groups stand out as a powerful tool for unlocking deep insights into the minds and experiences of target audiences This comprehensive guide *Focus Groups Beyond the Mirrored Window* empowers researchers and practitioners with the knowledge and skills necessary to design conduct analyze and present focus group research effectively Written by Pasquale De Marco an expert moderator and researcher with decades of experience this book takes you on a step by step journey through the entire focus group process From defining clear research objectives to writing a compelling final report you'll gain a thorough understanding of every aspect of focus group methodology Whether you're new to focus groups or a seasoned professional this book offers something for everyone Beginners will find clear and concise explanations of the basics while experienced researchers will appreciate the in depth coverage of advanced techniques and best practices Throughout the book Pasquale De Marco emphasizes the importance of understanding the unique strengths

and limitations of focus groups By carefully considering the research objectives and target audience you can design focus groups that yield rich and actionable insights This book is not just a theoretical treatise it is a practical guide filled with real world examples and case studies You ll learn how to Design effective discussion guides Select the right participants Moderate focus groups with skill and confidence Analyze data using both qualitative and quantitative methods Present findings in a clear and compelling way With its comprehensive coverage and practical approach Focus Groups Beyond the Mirrored Window is the definitive guide to focus group research It is an essential resource for anyone who wants to harness the power of focus groups to gain a deeper understanding of their target audience If you like this book write a review on google books

Quirk's Marketing Research Review ,2008 The Market Research Toolbox Edward F. McQuarrie,2015-04-01 Understanding marketing research to make better business decisions An ideal resource for busy managers and professionals seeking to build and expand their marketing research skills The Market Research Toolbox Fourth Edition describes how to use market research to make strategic business decisions This comprehensive collection of essential market research techniques skills and applications helps readers solve real world business problems in a dynamic and rapidly changing business atmosphere Based on real world experiences author Edward F McQuarrie gives special attention to business to business markets technology products Big Data and other web enabled approaches Readers with limited time or resources can easily translate the approaches from mass markets simple products and stable technologies to their own situations Readers will master background context and the questions to ask before conducting research as well as develop strategies for sorting through the extensive specialized material on market research *Market Devices* Michel Callon,Yuval Millo,Fabian Muniesa,2007-11-12 Market Devices addresses the crucial role of technical instruments in the construction of markets and explores how market devices are set to configure economic calculative capacities while observing the part they play in the marketability of goods and services Marketing Research Gilbert A. Churchill,2005 Business Periodicals Index ,2000 Marketing Research Essentials Carl D. McDaniel,Carl McDaniel,Roger Gates,2006 McDaniel and Gates stand out from the crowd When it comes to putting you on the frontlines of the marketing research industry McDaniel and Gates stand out from the crowd These authors deliver the hottest trends insights and advances in the field with a focus on how marketing research is practiced today Based on their successful Marketing Research 6th Edition this paperback text offers the same user oriented real world focus and cutting edge content in a more streamlined format Authors wired to the marketing research industry Unlike many other marketing research texts Marketing Research Essentials provides a real world view of the field from authors who are industry insiders Together they bring more than 40 years of marketing research experience to this edition A strong focus on how to use research McDaniel and Gates focus on using and analyzing market research results rather than actually doing the market research Real world perspective Throughout the text the authors inject a healthy dose of reality into the discussion including intriguing examples of how real

companies use marketing research and war stories from the frontlines of the field New learning tools put you in the know New chapter opening Visual Checklists and chapter ending Visual Summaries help reinforce your understanding of the material Includes the student version of SPSS 13 In addition new SPSS exercises at the end of the quantitative chapters give you hands on experience Data sets for the software are available on the companion website at www.wiley.com/college/mcdaniel

Focus Group Practice Claudia Puchta, Jonathan Potter, 2004-01-15 Focus Group Practice is unique in providing a picture of focus group moderation and interaction that is based on the study of what actually happens in high class market research focus groups and in using recent theories of interaction for example discourse and conversation analyses to throw light on the practice of moderation It is written in clear engaging and non technical manner and richly illustrated by examples from focus groups in a wide range of different contexts New moderators will find the basic elements of focus groups described and explained and experienced moderators will find new ways of understanding what they do which will help them to develop their skills Focus Groups moderation is understood in terms of the cutting edge theories of interaction It concentrates on the basic and subtle processes through which moderators elicit opinions manage disagreements and generate a range of views How are participants encouraged to be animated and involved and how are the arguments and anecdotes discouraged How are responses guided to in the required direction This book addresses these pertinent questions Above all how does a moderator keep participants focused This unique book will be essential reading for all involved in focus group practice It is accessible to broad readership including undergraduate students
