The Mitford Family Album Sophia Murphy, 1985 Foto s van de bekende Engelse familie in de 20e eeuw met korte beschrijvingen **The Sisters** Mary S. Lovell, 2011-06-13 Fascinating the way all great family stories are fascinating Robert Gottlieb New York Times Book Review This is the story of a close loving family splintered by the violent ideologies of Europe between the world wars Jessica was a Communist Debo became the Duchess of Devonshire Nancy was one of the best selling novelists of her day beautiful Diana married the Fascist leader Sir Oswald Mosley and Unity a close friend of Hitler shot herself in the head when England and Germany declared war The Mitfords had style and presence and were remarkably gifted Above all they were funny hilariously and mercilessly so In this wise evenhanded and generous book Mary Lovell captures the vitality and drama of a family that took the twentieth century by storm and became in some respects its victims

Churchill Family Album Mary Soames,1982 *The Duchess Of Windsor* Greg King,2011-05-01 A sympathetic and believable portrait of the American woman for whom King Edward VIII gave up the throne with photos included Christian Science Monitor A woman s life can really be a succession of lives each revolving around some emotionally compelling situation or challenge and each marked off by some intense experience It was the love story of the century the king and the commoner In December 1936 King Edward VIII abdicated the throne to marry the woman I love Wallis Warfield Simpson a twice divorced American who quickly became one of the twentieth century s most famous personalities a figure of intrigue and mystery both admired and reviled Wrongly blamed for the abdication crisis Wallis suffered hostility from the Royal Family and much of the world Yet interest in her story has remained constant resulting in a small library of biographies that convey a thinly veiled animosity toward their subject The truth however is infinitely more fascinating than the shallow pathetic portrait that has often been painted Using previously untapped sources acclaimed biographer Greg King presents a complete and for the first time sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986 King takes the reader through a world of privilege palaces high society and love with the accompaniment of hatreds feuds conspiracies and lies The cast of characters is vast politicians and presidents dictators and socialites Twenty four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance A wide absurd cast of characters led by the British royal family Wallis lavish decorati

Hitler's Valkyrie David R L. Litchfield,2013-10-01 Emerging from modern history as a remarkable and much loved family the Mitfords have remained largely unrepentant concerning theirs and particularly Unity s enthusiastic support of Hitler the Nazis Oswald Mosley and British fascism However having initially encouraged and supported Unity s affair with Hitler they subsequently insisted that she had in fact been a rather unintelligent clumsy lump of a girl whose virginal relationship with one of the most terrifying dictators of all time was a mere unrequited romantic obsession As this book will show nothing could be further from the truth Following further research and reexamination of the family s friends and journalists often contradictory evidence plus new information supplied by the author s own family and friends Hitler s Valkyrie will reveal that while Unity was like Hitler an extreme fantasist there was very little of the juvenile romantic about her On the contrary she was highly intelligent free spirited and athletic She was also the only Englishwoman who came close to being capable of changing the course of the Second World War Here David R L Litchfield untangles the decades old web of intrigue surrounding Unity Mitford and one of the most dangerous men of all time creating a fascinating book of unparalleled importance to the Mitford legacy
