As Rutland Police investigate they discover the victim was a charitable public spirited man who only ever wanted to help others. So who wanted to kill him so brutally? And why? DI Caroline Hills and DS Dexter Antoine are left disoriented and dejected. But the discovery of a shadowy and mysterious figure leads them onto a trail of deep corruption one that will take them far from Rutland. And it seems their victim wasn't quite the man he made himself out to be. Is anyone ever truly innocent?

Moments of Truth Rachman Mitchell, 2018-06-07 When Rachman Mitchell was twenty three years old something happened that changed him forever and set him on a path of inner and outer adventure. He received an experience called the latihan which gave a contact with his soul. Around the latihan grew an organization called Subud which is spread across the world. Bapak was the bringer of the latihan. Rachman, Rohana and their children went to live near him in Indonesia and Rachman became his doctor. This book relates stories along the way to getting to Indonesia being there with Bapak and facing challenges of adapting to the world again after returning to the West. Rachman provides an inside view of what life was like in the early days in Jakarta when very personal contact with Bapak was possible. His work as a doctor in Indonesia and elsewhere is an important theme and illustrates the development of a talent and a vocation over a long lifetime. These are stories about a man learning how to live the mistakes he makes and the joys and calamities that are visited upon him and how he learns to become more tolerant, more understanding and more compassionate, less inclined to judgement. They are a blend of intimate reminiscence and fireside chat being told with humility and humor.
