The Moons Fireeating Daughter:

The Moon's Fire-Eating Daughter John Myers Myers, 2012-01-04 She gave him a look that made him feel warm all over How would you like to make a survey of the Road for me All I need is a clear objective report based on first hand observation All the others I commissioned never lived long enough to give me one What was the matter with them except being dead the professor asked nervously They got tangled up because they didn't know how to look at things I don't know why I never thought of turning the job over to a scientist before That's a mistake voters make too he allowed modestly then loosened his collar Er when do you want me to start Right away wouldn't be too soon Oh I couldn't miss my one thirty class he hedged You won't she assured him That is unless you get drowned in space chewed up on land or sea mobbed or worse She ran a hand reassuringly though his hair Just do for my sake be careful pet Resistance was useless She was Venus He was the merest of mortals Ten minutes later in spite of all his best efforts he found himself being borne off through the sky in a chariot drawn by four eagles

The Moon's Fire-Eating Daughter John Myers Myers, 1984 Bumbling Professor George Futtonham falls madly in love with Venus goddess of love and pursues his heart's desire through an extraordinary fantasy world

King Arthur in America Alan Lupack, Barbara Tapa Lupack, 1999 King Arthur in America analyzes the tremendous appeal of the Arthurian legends in America by examining the ways that Americans have found to democratize the Matter of Britain and to incorporate aspects of it not only into America's own mythologies but also into literature film social history and popular culture

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th

century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more

Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

Survey of Modern Fantasy Literature Frank Northen Magill, 1983

The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction* this massive reference of 4 000 entries covers all aspects of fantasy from literature to art

Magill's Guide to Science Fiction and Fantasy Literature: Lest darkness fall , 1996 These four volumes cover 791 books or series 238 of them published during the 1980s and 1990s the entries are 1 000 words long for single books and 1 500 for series with a one sentence summary beginning each entry followed by bibliographical information Volume 4 contains an extensive bibliography of critical works on science fiction and fantasy a list of major award winners a genre index Booklist
