The Morning Star Journal Rick Joyner,1996-06-01 The Morning Star Journal, Vol. 6 Rick Joyner,1996-02 *The Morning Star Journal, Vol. 8* Rick Joyner,1998-03 Son of the Morning Star Evan S. Connell,2011-04-01 Son of the Morning Star is the nonfiction account of General Custer from the great American novelist Evan S Connell Custer s Last Stand is among the most enduring events in American history more than one hundred years after the fact books continue to be written and people continue to argue about even the most basic details surrounding the Little Bighorn Evan S Connell whom Joyce Carol Oates has described as one of our most interesting and intelligent American writers wrote what continues to be the most reliable and compulsively readable account of the subject Connell makes good use of his meticulous research and novelist s eye for the story and detail to re create the heroism foolishness and savagery of this crucial chapter in the history of the West **Elizabeth Barrett Browning's 'Aurora Leigh'** Michele C Martinez,2012-04-12 Elizabeth Barrett Browning s ambitious and challenging epic Aurora Leigh is illuminated for twenty first century readers by Michele C Martinez s Reading Guide A clear commentary on core sections of the poem as well as a range of interpretative frame

Capital Karl Marx,2024-09-17 Marx for the twenty first century The first new English translation in fifty years and the only one based on the last German edition revised by Marx himself Featuring extensive original commentary including a foreword by acclaimed political theorist Wendy Brown An astounding achievement China Mi ville author of October The Story of the Russian Revolution Karl Marx 1818 1883 was living in exile in England when he embarked on an ambitious multivolume critique of the capitalist system of production Though only the first volume saw publication in Marx s lifetime it would become one of the most consequential books in history This magnificent new edition of Capital is a translation of Marx for the twenty first century It is the first translation into English to be based on the last German edition revised by Marx himself the only version that can be called authoritative and it features extensive commentary and annotations by Paul North and Paul Reitter that draw on the latest scholarship and provide invaluable perspective on the book and its complicated legacy At once precise and boldly readable this translation captures the momentous scale and sweep of Marx s thought while recovering the elegance and humor of the original source For Marx our global economic system is relentlessly driven by value to produce it capture it trade it and most of all to increase it Lifespans are shortened under the demand for ever greater value Days are lengthened work is intensified and the division of labor deepens until it leaves two classes owners and workers in constant struggle for life and livelihood In Capital Marx reveals how value came to tyrannize our world and how the history of capital is a chronicle of bloodshed colonization and enslavement With a foreword by Wendy Brown and an afterword by William Clare Roberts this is a critical edition of Capital for our time one that faithfully preserves the vitality and directness of Marx s German prose and renders his ideas newly relevant to modern readers Mormonism Against Itself Raymond D. Moore,2001-08 This is fascinating is a comment often made by those reading this book a product of years

of scholarly research This most valuable handbook meets a timely need giving the Christian worker or any interested person material to refute Mormon claims The reader and Mormons themselves may be amazed at the complete reversal of doctrine which the Mormon Church experienced between 1830 when Joseph Smith brought out the Book of Mormon and 1844 when Joseph Smith was shot to death Thus the Mormon leaders in many instances contradicted themselves or their doctrine I have included extensive quotations from original sources since many are rare and difficult to find Forty four subjects of interest are organized alphabetically in the heart of the book making it a quick and easy tool for exposing errors and freeing Mormons from spiritual bondage At the close of the book is a short section summarizing the basic truths of the Holy Bible showing God s love and good news for all mankind as they believe and accept it This is to help an earnest seeker to find eternal life God s grace and forgiveness through our saviour Jesus Christ

Glacier National Park After Dark John Ashley,2015-06-15 What is there to see in Glacier National Park after the sun goes down As writer and photographer John Ashley reveals in his newest book some of Glacier s most awe inspiring sights are found high above the mountaintops Readers will marvel at Ashley s spectacular color photographs of favorite Glacier landmarks such as Chief Mountain and St Mary Lake lit by the Milky Way northern lights and a universe of wonders These images complement Ashley s text which includes clear explanations of astronomical phenomena traditional Blackfoot stories Glacier National Park geology and history and entertaining tales of his own run ins with curious critters and park rangers Ashley rallies readers to combat light pollution a problem that has begun to erode the ancient beauty of one of the last truly dark places in the country

The Heart of Hell Jeffry D. Wert,2022-04-04 The struggle over the fortified Confederate position known as Spotsylvania s Mule Shoe was without parallel during the Civil War A Union assault that began at 4 30 A M on May 12 1864 sparked brutal combat that lasted nearly twenty four hours By the time Grant s forces withdrew some 55 000 men from Union and Confederate armies had been drawn into the fury battling in torrential rain along the fieldworks at distances often less than the length of a rifle barrel One Union private recalled the fighting as a seething bubbling soaring hell of hate and murder By the time Lee s troops established a new fortified line in the predawn hours of May 13 some 17 500 officers and men from both sides had been killed wounded or captured when the fighting ceased The site of the most intense clashes became forever known as the Bloody Angle Here renowned military historian Jeffry D Wert draws on the personal narratives of Union and Confederate troops who survived the fight to offer a gripping story of Civil War combat at its most difficult Wert s harrowing tale reminds us that the war s story often told through its commanders and campaigns truly belonged to the common soldier
