The Most Amazing Thing:

The most amazing things from the transpersonal psychologist's practice Aleksandr Strannik, 2019-02-13 Everyone faces difficult life situations family discord poor health or career plateau The author of this book offers a solution you will draw a pencil on a piece of paper find the root of the problem and then erase the obstacle with an eraser The problem disappears both from the sheet and from your life This shows the transpersonal pattern works Read about how and why it works in the book by Aleksandr Strannik who is also author of the method and the author of the esoteric blog *The Most Beautiful Thing I've Seen* Lisa Gungor, 2018-06-26 Lisa Gungor thought she knew her own story small town girl meets boy in college and they blissfully walk down the aisle into happily ever after Their Christian faith was their lens and foundation for everything their marriage their music their dreams for the future But as their dreams began to come true she began to wonder if her religion was really representative of the good news she had been taught She never expected the questions to lead as far as they did when her husband told her he no longer believed in God The death of a friend the unraveling of relationships and career the loss of a worldview and the birth of a baby girl with two heart defects all led Lisa to a tumultuous place one of depression and despair And it was there that her perspective on everything changed *The Most Beautiful Thing I've Seen* tells the story of what can happen when you dare to let go of what you think to be true to shift the kaleidoscope and see new colors and dimension by way of broken pieces Lisa's eloquent soul stirring memoir brings you to a music stage before thousands of fans and a front porch where two people whisper words that scare them to the core It is the story of how doubt can spark the beginning of deeper faith how a baby born with a broken heart can bring love and healing to the hearts of many and ultimately how the hardest experience in life often ends up saving us **A Most Beautiful Thing** Arshay Cooper, 2020-06-30 REGIONAL BESTSELLER Now a documentary narrated by Common produced by Grant Hill Dwyane Wade and 9th Wonder from filmmaker Mary Mazzio The moving true story of a group of young men growing up on Chicago's West side who form the first all Black high school rowing team in the nation and in doing so not only transform a sport but their lives Growing up on Chicago's Westside in the 90s Arshay Cooper knows the harder side of life The street corners are full of gangs the hallways of his apartment complex are haunted by drug addicts he calls zombies with strung out arms clutching at him as he passes by His mother is a recovering addict and his three siblings all sleep in a one room apartment a small infantry against the war zone on the street below Arshay keeps to himself preferring to write poetry about the girl he has a crush on and spends his school days in the home ec kitchen dreaming of becoming a chef And then one day as he's walking out of school he notices a boat in the school lunchroom and a poster that reads Join the Crew Team Having no idea what the sport of crew is Arshay decides to take a chance This decision to join is one that will forever change his life and those of his fellow teammates As Arshay and his teammates begin to come together to learn how to row many never having been in water before the sport takes them from the mean streets of Chicago to the hallowed halls of the Ivy League But

Arshay and his teammates face adversity at every turn from racism gang violence and a sport that has never seen anyone like them before *A Most Beautiful Thing* is the inspiring true story about the most unlikely band of brothers that form a family and forever change a sport and their lives for the better *The Book of Doing and Being* Barnet Bain, 2015-07-07 How to unlock your most creative self *The Amazing Thing About the Way it Goes* Stephanie Pearl-McPhee, 2014-03-04 The popular blogger and New York Times bestselling author of *Yarn Harlot* puts her humorous spin on everyday life parenting and well pants *The Amazing Thing About the Way It Goes* takes on the amazing in the ordinary in this side splitting series of short commentaries Pearl McPhee turns her trademark wit and perspective to everything from creative discipline to a way you would never think about fixing your email situation This book looks at everyday problems and honestly won't do much to solve them but at least you'll be laughing Praise for Yarn Harlot A sort of David Sedaris like take on knitting laugh out loud funny most of the time and poignantly reflective when it's not cracking you up Library Journal Pearl McPhee turns both typical and unique knitting experiences into very funny and articulate prose Meg Swansen Schoolhouse Press I laughed until my stitches fell helplessly from my needles Lucy Neatby author of *Cool Socks Warm Feet* ***The Extraordinary Healing Power of Ordinary Things*** Larry Dossey, 2007-06-05 Every day modern medicine announces the arrival of yet another wonder drug or miracle procedure to a world increasingly wary of expensive high tech cures Drugs transplants and surgery don't work for 90 percent of our aches and pains and while we are grateful for life saving developments we know that most come with risks that we ignore at our peril Long hailed as one of the founding fathers of mind body medicine Larry Dossey directs our attention to simple sources of healing that have been available for centuries treasures often hidden in plain sight from the power of optimism and of tears to speed recovery to the surprising usefulness of dirt and bugs in curing disease and infection to the benefits of doing nothing Exploring the medical research that validates these simple remedies Dossey encourages us to align ourselves with the wisdom of nature and allow true healing to take place *The Extraordinary Healing Power of Ordinary Things* can transform our view of what health is all about whether our concern is cancer or the common cold ***Amazing Stories***, 1927 ***The Most Beautiful Woman in Town*** Charles Bukowski, 2013-06-15 Mad immortal stories now surfaced from the literary underground This collection of stories was once part of the 1972 *City Lights* classic *Erections Ejaculations Exhibitions and General Tales of Ordinary Madness* That book was later split into two volumes and republished *Tales of Ordinary Madness* and this book *The Most Beautiful Woman in Town* These stories have addicted legions of American readers even though the high literary establishment continues to ignore them In Europe however particularly in Germany Italy and France where he is published by the great publishing houses he is critically recognized as one of America's greatest realist writers Collections such as *The Most Beautiful Woman in Town* showcase Bukowski's impressive narrative and creative abilities in stories that most often take place in bars and dingy apartments but are not simply about sex and alcohol They're about staying alive in a world where the only choice for the majority of us is to face a firing squad in an office
