A MOUNTAINTOP VIEW OF FAITH Charles E. Maldon Sr., 2011-10-27 *A Mountaintop View of Faith* is an anointed truthful and empowering book on God's promise your faith and victory over everyday adversity It is a hard hitting provocative and exhilarating work written to empower especially believers to deepen their faith and be encouraged even facing seemingly impossible adversities Maldon states that adversities will always be a part of life and he contends that Satan desires to ultimately crush our resolve hinder our promises from God and weaken our faith in the sufficiency of God He points out that adversities may be two fold trials appointed by God or those self inflicted resulting from our rebellion against God's spiritual instructions He skillfully teases out how self imposed cripples such as anger unforgiveness selfishness disobedience pride immorality worry and others can rob you of peace and promises from God Maldon encourages us to

deepen our faith to reach a pinnacle mountaintop perspective of God **Soul Revolution: How Imperfect People Become All God Intended** John Burke, 2008 **Journey into Loving You** Lisa McTavis LMSW, 2013-07-30 Most of us have been taught a lie A lie that says everything which is good and worthwhile is outside of you and you must find it there externally The lie says that all acceptance validation love approval and joy must be given to you by someone else and found somewhere else You are not alone in accepting this lie the majority of the world population also shares this belief in this lie with you The lie is it is not outside of you or with anyone else or somewhere else The truth is all the love acceptance validation approval and joy is waiting for you within You can fulfill you validating yourself through acceptance love approval and joy and do not have to look outside yourself for it An overflowing source is ready for you to tap into This can empower you create confidence the ability to be in any situation with any type of person and you will no longer need them to empower you because you were already doing it for yourself When you do receive love acceptance validation approval or joy from another it becomes a sharing experience that is not required to meet a need *Polishing the Diamond, Enlightening the Mind* Chae-ung Kim, 1999 Polishing the Diamond Enlightening the Mind is an offering of concise teachings stories and meditations from one of Korea's most revered living Buddhist masters It is at once a testament to the vitality of Korean Buddhism today and a timeless expression of the transformative role the Buddha's teachings can play in a person's life
