Mountain Road Hoover Liddell, 2011-12 In traversing the earth and living with the wilderness from Africa to the California Sierras author Hoover Liddell came to realize the great energy of youth as we struggle to educate our planet and ourselves *Mountain Road* is his journey of life and travel through the planet's cities and towns as well as his time in San Francisco and living inside its schools From a mountain road out of Africa humankind continues its journey into a timeless universe Human freedom is not dwelling in the past or the future but in the remarkableness and freshness of the present where the adventure is His journey from the Nigerian rainforests and desert across Africa through the Serengeti plains and the mountain road of Kilimanjaro takes him to the mountains of the Sierras In his expeditions he discovers moments of vibrant energy and days of staying alive that are more profound than all the years of teaching in the schools He finds the wilderness empowers us to find our own way and deepens our capabilities as we educate ourselves and the earth Of what meaning is school or life itself if we are not serious and motivated for the adventure to educate the planet

Mountain Road Al Stotts, 2019-02-22 Journalism professor Adam Colbert has come home to Albuquerque after a reporting career that took him all over the world A nineteenth century adobe house with a mansard roof that he admired as a boy is now his home on Mountain Road He loves the old neighborhood and the road that once connected Albuquerque with the Sandia Mountains But some unwelcome new neighbors are the organizers of a twenty week abortion ban initiative on the fall municipal election ballot Adam's journalism students write investigative stories about the initiative and its backers which puts him in the crosshairs of a corrupt university regent who supports the anti abortion campaign Two women one a young anti fascist vagabond and the other a gorgeous and ambitious graduate student enter his life and dramatically influence his political activism and his romantic experience
