Old Tales and New Truths James Roy King, 1992-02-06 This guidebook to the Bright Shadow World develops three closely related issues The first is the position that fairytales and folktales are of value today because they encourage the growth of capabilities important in our postmodern world Each of us like the fairytale hero sets out on his her own quests seeks his her own identity faces his her own dilemmas with few resources but wit imagination and a certain power of improvisation King develops the implications of this situation for such common fairytale problems as learning to read the world productively navigating various kinds of edges exploiting power sources developing highly personal moral commitments problem solving and data collecting The second concern of this book is with the development of a system for analyzing narrative structure The formula offered here involves an examination of interactions among actors physical settings lines of force and power sources as a narrative moves toward its denouement This system facilitates the classifying and contrasting of narratives and illuminates the structure of both narrative and lived experience Finally this book is concerned with myth making or world making processes It is shown that traditional narrative actually points to and delineates another dimension of existence here called the Bright Shadow World that operates by rules of its own and may be penetrated by individuals from our ordinary world Inferences about the Bright Shadow World drawn from traditional narrative are described and evaluated

Miracle Enough William Gray, Peter Winnington, 2014-09-18 To mark the centenary of Mervyn Peake's birth the Sussex Centre for Folklore Fairy Tales and Fantasy University of Chichester organized an international conference in July 2011 entitled Mervyn Peake and the Fantasy Tradition Papers were presented by scholars artists and writers from all over the world and here we have a selection of them No other comparable collection of essays on Peake has ever been published The contributors take a wide variety of approaches to Peake's work

The Mighty Adventures of Mouse, the Cat Louis Paul DeGrado, 2019-04-02 Mouse is a fluffy cat who was born a runt and daughter of a protector a group of cats destined to protect humans from vermin and evil Despite the name she received because of her small size Mouse has giant plans After she rescues a few of her friends from an animal control facility Mouse cannot help but notice the other trapped animals certain to face an unspeakable fate Trusting her calling and courage Mouse allies herself with a rat cockatoo bulldog a fancy mouse weasel raccoon and some jazz loving alley cats to free the animals But little does she know that their path forward is full of dangers that include vicious dogs coyotes crossing roads and self doubt Will Mouse have the courage to overcome her insecurities and lead the group to safety In this tale of adventure and courage a tiny cat

with a big heart takes on a special mission to rescue a group of animals from a horrible fate *The fables of La Fontaine, tr.*
[in verse, mainly by R. Thomson]. Jean de La Fontaine, 1884 *The New Age* Alfred Richard Orage, Arthur Moore, 1913
