The Movie List A Reference Guide To Film Themes Settings And Series:

The Movie List Book Richard B. Armstrong, Mary Willems Armstrong, 1990 *Encyclopedia of Film Themes, Settings and Series* Richard B. Armstrong, Mary Willems Armstrong, 2015-07-11 The first edition was called the most valuable film reference in several years by Library Journal The new edition published in hardcover in 2001 includes more than 670 entries The current work is a paperback reprint of that edition Each entry contains a mini essay that defines the topic followed by a chronological list of representative films From the Abominable Snowman to Zorro this encyclopedia provides film scholars and fans with an easy to use reference for researching film themes or tracking down obscure movies on subjects such as suspended animation viral epidemics robots submarines reincarnation ventriloquists and the Olympics Excellent said Cult Movies The volume also contains an extensive list of film characters and series including B movie detectives Western heroes made for television film series and foreign film heroes and villains **Omnibus Films** David Scott Diffrient, 2014-06-23 As the first book length exploration of internationally distributed multi director episode films Omnibus Films fills a considerable gap in the history of world cinema and aims to expand contemporary understandings of authorship genre narra **Film Genre 2000** Wheeler Winston Dixon, 2000-02-24 Covering over 100 feature films in critical depth and detail this reader provides an excellent introduction to American genre filmmaking since 1990 These previously unpublished essays by prominent film scholars each address a different film genre from science fiction to romance to 90s noir as well as the ways in which genre filmmaking as a whole has been changed by the new technologies and market forces that are shaping the future of cinema One of the peculiar aspects of recent American genre filmmaking is its apparent facelessness its desire to subsume itself into the larger framework of genre cinema and not to identify each film as a unique exemplar What this book argues among other things is that the implicit message in contemporary genre films is rarely that which is signified by a film's external or even internal narrative structure What drives the thematic and structural concerns of recent genre cinema is the recovery of initial investment made all the more pressing by the fact that each film released theatrically now represents an investment of many millions of dollars For better or worse American genre cinema dominates the globe The Hollywood genre film has become one of America's most prolific and profitable social exports These contemporary genre films all seek to further the values of their nation of origin as they journey through the world on film videotape DVDs and television it is the pervasive influence and numerous subjects of these films that are analyzed here Contributors include Heather Addison Chuck Berg Ton Conley David M Desser Wheeler Winston Dixon Marc Miller Catherine Preston Stephen Prince David Sanjek Mark A Reid John Tibbets Jim Welsh and Ron Wilson *The Edward G. Robinson Encyclopedia* Robert Beck, 2015-09-16 Edward G Robinson a 1930s cinema icon had an acting career that spanned more than 60 years After a brush with silent films he rose to true celebrity status in sound feature films and went on to take part in radio and television performances then back to Broadway and on the road in live theatre This work documents Robinson's every known public performance or appearance
