**The Murderous McLaughlins** Jack Dunphy, 1988 A saga of an Irish American family in long ago New York City Dunphy captures perfectly the sights sounds and flavors of an era gone by *The Irish Voice in America* Charles Fanning, 2021-10-21 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier *The Irish Voice in America* is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience **The Oxford Handbook of Modern Irish Fiction** Liam Harte, 2020 Presents essays by thirty five leading scholars of Irish fiction that provide authoritative assessments of the breadth and achievement of Irish novelists and short story writers Wealthy Men Only Stella Sands, 2012-10-30 The shocking true crime account of a gold digging woman s diabolical and deadly seduction from the award winning author of *The Dating Game* Killer Nanette Johnston s personal ad made it clear I know how to take care of my man if he knows how to take care of me Newport Beach millionaire Bill MacLaughlin made the fatal mistake of responding Within months the gorgeous twenty eight year old moved in with the middle aged entrepreneur Three years later she began seeing another man on the side a former NFL linebacker who took a job at a nearby nightclub Three weeks later MacLaughlin would be dead He was found lying on the kitchen floor in a pool of blood Nannette had an alibi and a million dollar life insurance policy on the victim Police discovered she d embezzled a small fortune from MacLaughlin s business but didn t have enough evidence to charge her with murder For years the crime went unsolved until new evidence brought the gold digger and her boyfriend back to the courtroom in a sordid case of lust betrayal greed and murder Three Times A Killer Gerald Hansen, 2024-07-29 Three ways to die one baffling case DI McLaughlin and DS D Arcy face their strangest case yet a harmless vagrant found dead apparently killed three different ways Who wanted him dead and how many killers are on the loose The third of the **NUMBER ONE** bestselling *Derry Murder Mysteries* *Three Times a Killer* is another gripping gritty mystery thriller with jaw dropping twists and a touch of Gerald Hansen s signature dark humor From Wounded Knee to the Gallows Philip S. Hall, Mary Solon Lewis, 2020-05-14 On December 28 1894 the day before the fourth anniversary of the massacre at Wounded Knee Lakota

chief Two Sticks was hanged in Deadwood South Dakota The headline in the Black Hills Daily Times the next day read A GOOD INDIAN a spiteful turn on the infamous saying The only good Indian is a dead Indian On the gallows Two Sticks known among his people as Can Nopa Uhah declared My heart knows I am not guilty and I am happy Indeed years later convincing evidence emerged supporting his claim The story of Two Sticks as recounted in compelling detail in this book is at once the righting of a historical wrong and a record of the injustices visited upon the Lakota in the wake of Wounded Knee The Indian unrest of 1890 did not end with the massacre as the government willfully neglected mismanaged and exploited the Oglala in a relentless if unofficial policy of racial genocide that continues to haunt the Black Hills today In From Wounded Knee to the Gallows Philip S Hall and Mary Solon Lewis mine government records newspaper accounts and unpublished manuscripts to give a clear and candid account of the Oglala s struggles as reflected and perhaps epitomized in Two Sticks s life and the miscarriage of justice that ended with his death Bracketed by the run up to and craven political motivation behind Wounded Knee and the later revelations establishing Two Sticks s innocence this is a history of a people threatened with extinction and of one man felled in a battle for survival hopelessly weighted in the white man s favor With eyewitness immediacy this rigorously researched and deeply informed account at long last makes plain the painful truth behind a dark period in U S history
