The Muslim Jesus Sayings And Stories In Islamic Literature Convergences Inventories Of The Present:

The Muslim Jesus, 2003-04-30 This work presents in English translation the largest collection ever assembled of the sayings and stories of Jesus in Arabic Islamic literature In doing so it traces a tradition of love and reverence for Jesus that has characterized Islamic thought for more than a thousand years An invaluable resource for the history of religions the collection documents how one culture that of Islam assimilated the towering religious figure of another that of Christianity As such it is a work of great significance for the understanding of both and of profound implications for modern day intersectorian relations and ecumenical dialogue Tarif Khalidi's introduction and commentaries place the sayings and stories in their historical context showing how and why this gospel arose and the function it served within Muslim devotion The Jesus that emerges here is a compelling figure of deep and life giving spirituality The sayings and stories some 300 in number and arranged in chronological order show us how the image of this Jesus evolved throughout a millennium of Islamic history

The Qur'an in Christian-Muslim Dialogue Corrie Block, 2013-10-08 Offering an analysis of Christian Muslim dialogue across four centuries this book highlights those voices of ecumenical tone which have more often used the Qur'an for drawing the two faiths together rather than pushing them apart and amplifies the voice of the Qur'an itself Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars this book ranges from a period of declining ecumenism during the first three centuries of Islam to a period of resurging ecumenism during the most recent century until now Among the ecumenical voices in the Christian Muslim dialogue this book points out that the Qur'an itself is possibly the strongest of those voices These findings are cause for and evidence of hope for the Christian Muslim relationship that although agreement may never be reached dialogue has led at times to very real mutual understanding and appreciation of the religious other Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths this book will be of interest to scholars and students of Islam the Qur'an and the history of Christian Muslim relations The Origin of Divine Christology Andrew Ter Ern Loke, 2017-07-03 This book offers a new

contribution by addressing alternative hypotheses and previously neglected evidence using transdisciplinary tools Secret Gospels Marvin Meyer, 2003-02-01 Marvin Meyer is one of the leading experts on the secret gospels Gospel of Thomas Secret Gospel of Mark and others who has changed forever how we read the canonical gospels and understand early Christianity In this new collection of his work Meyer looks at these revolutionary texts in original and illuminating ways He writes for example about the naked youths in the villa of the Mysteries On the walls of a villa in Pompeii a famous mural depicts a naked male reading from a scroll a look of wonder on his face A naked youth again appears in the Gospel of Mark abandoning his garment and fleeing naked when apprehended during Jesus' arrest A similar youth appears in the Secret Gospel of Mark These youths Meyer proposes serve as an image of religious initiation candidates for the mysteries of Dionysus or of Christ This is one of the many aspects of the secret gospels that Meyer examines with expert insight and creativity Topics range

from gender and infancy stories to discipleship and the relationship of the Gospel of Thomas to Islamic literature Meyer's spellbinding readings of these materials offer fresh understandings of the canonical gospels Marvin Meyer is Griset Professor of Bible and Christian Studies and Director of the Albert Schweitzer Institute at Chapman University Orange California He is author of *The Secret Teachings of Jesus Four Gnostic Gospels* and *The Gospel of Thomas The Hidden Sayings of Jesus* and co editor of *Jesus Then and Now* Trinity Press International *Jesus in Twentieth Century Literature, Art, and Movies* Paul C. Burns, 2007-07-15 Burns collection taken from a conference at a 2004 regional SBL meeting explores the ways in which these portraits of Jesus continue to fulfill the familiar observation that people tend to depict Jesus in their own image
