The Revolutionaries Max Hennessy, 2020-07-22 One last mission but this time it's personal In the Spring of 1920 the Mexican revolution was almost over Just across the border in Texas was Martin Falconer barely out of his teens yet already a veteran airman He had only just escaped from the Russian Civil War with his three friends Slingsby Puddy Pudhovkin and Tommy Tucker and they were all looking forward to a little peace Martin had cabled his girlfriend Charley who was in Mexico with her father to come and meet him But his hopes are shattered when they arrive in the border town of Camarillo to collect Charley and the four airmen are caught in the middle of a battle When the dust settles they discover that the retreating Mexican bandits had taken Charley as a hostage Martin tries to enlist official aid but without success It was up to them and all they had to use against a desperate band of rebels were two battered aeroplanes a broken down Avro and a de Havilland with broken wings This will be his most challenging flight The absolutely thrilling finale to the Martin Falconer thrillers a tour de force of wartime storytelling perfect for fans of Alastair MacLean Alexander Fullerton and David Black [The Sea Shall Not Have Them](#) Max Hennessy, 2019-07-25 The classic war novel of espionage in the most extreme of situations An essential flight from France crash lands in the North Sea leaving the four remaining crew members of the RAF Hudson stranded on a dinghy One man is critically injured and another a rocket expert is carrying a briefcase stuffed with vital war secrets that could prove devastating if allowed to fall into the wrong hands As the days begin to stretch out they can only pray that the rescue team can locate the dinghy in time before exposure kills them or worse the enemy finds them A novel which charts the daring and courage of four castaways and the men who rescued them in a breathtaking mission with the

most awesome of consequences perfect for fans of Alexander Fullerton David McDine and Alan Evans *The Interceptors* Max Hennessy,2020-07-22 The First World War is over But Martin Falconer s story is only just beginning 1919 Martin Falconer a veteran airman while still in his teens and now adjusting to peacetime is asked to go to Russia to fight the Bolsheviks His answer Try and stop me The Great War had taken away much of Martin s idealism shown him the gruesome realities of battle But the Russia of 1919 a chaotic desperate country shows him another sort of conflict a civil war of great savagery and bitterness on both sides Nothing is as simple as he had thought But the danger and excitement as he flies over the Russian steppes will only further his extraordinary legacy The continuation of the completely gripping WWI aviation thrillers for fans of W E Johns Alastair MacLean and Alan Evans *The Victors* Max Hennessy,2020-07-22 Martin Falconer had one big anxiety would they let him fly again Grounded in England at the beginning of 1918 it was a struggle for escaped prisoners of war weren t generally allowed to return to the front but Martin pestered the authorities and at last found himself back in France But the character of the war was changing Everyone had suddenly become efficiency conscious and the freedom of choice which he had valued so much in his life as a pilot was disappearing Martin had to settle down to the grim monotonous business that aerial warfare had now become It was work that took a terrible toll on the nerves even of someone as young and strong as he was He longed to be able to solve the problem and for the war to be over so that he could start to find out what he really wanted from life A gripping story totally convincing in its portrayal of the ordeals and rewards of flying in the First World War for fans of Alexander Fullerton and W E Johns **The Courtney Entry** Max Hennessy,2019-09-19 A World War I flying ace races for glory and for his life against Charles Lindbergh in this unputdownable thriller from the author of *The Mercenaries* A huge cash prize awaits anyone who can make the perilous transatlantic flight between Paris and New York as well as global notoriety Though many have died attempting it among those who are still ready to face the hazards of the long distance flight is Ira Penaluna a hard bitten war veteran along with his daughter and navigator Alix He discovers that the Courtney plane he is to fly requires drastic design modification However the news that another challenger a young man named Lindbergh is on the point of departure forces Ira and Alix to take off in appalling conditions Can he win or even survive this journey A triumphant finale to the trilogy anchored by thrilling action and historical knowledge perfect for fans of Wilbur Smith W E Johns and Alistair MacLean [History of Sacramento County, California](#) G.
