The Miracle Of Existence:

The Miracle of Existence Henry Margenau, 1987 Ludwig Wittgenstein - A Cultural Point of View William J. DeAngelis, 2016-05-13 In the preface to his Philosophical Investigations Ludwig Wittgenstein expresses pessimism about the culture of his time and doubts as to whether his ideas would be understood in such a time I make them public with doubtful feelings It is not impossible that it should fall to the lot of this work in its poverty and in the darkness of this time to bring light into one brain or another but of course it is not likely In this book William James DeAngelis develops a deeper understanding of Wittgenstein s remark and argues that it is an expression of a significant cultural component in Wittgenstein s later thought which while latent is very much intended DeAngelis focuses on the fascinating connection between Wittgenstein and Oswald Spengler and in particular the acknowledged influence of Spengler s Decline of the West His book shows in meticulous detail how Spengler s dark conception of an ongoing cultural decline resonated deeply for Wittgenstein and influenced his later work In so doing the work takes into account discussions of these matters by major commentators such as Malcolm Von Wright Cavell Winch and Clack among others A noteworthy feature of this book is its attempt to link Wittgenstein s cultural concerns with his views on religion and religious language DeAngelis offers a fresh and original interpretation of the latter Sins of the Spirit, Blessings of the Flesh, Revised Edition Matthew Fox, 2016-03-15 Visionary theologian and award winning author Matthew Fox challenges traditional perceptions of good and evil by offering a new theology that lays the groundwork for a more enlightened treatment of ourselves one another and all of nature In this revised edition with a luminous foreword by Deepak Chopra and a new preface that brings the book up to date with the cataclysmic events of the new millennium Fox illustrates how contrary to mainstream church doctrine flesh is the grounding of spirit Fox argues that our culture has concentrated far too much on transgressions of the flesh while failing to take into account its sacredness Artfully weaving together the wisdom of East and West he considers Thomas Aquinas s definition of sin as misdirected love and applies parallels between the Eastern teachings of the seven chakras and the Western teachings of the seven capital sins Fox explains how the chakras teach us to direct the love energies we all possess and proposes seven positive precepts for living a full and spirited life He invites us to change the way we think about sin and asserts that we can combat and transform evil through love generosity letting go and creativity Crafting a blueprint for social change Sins of the Spirit Blessings of the Flesh points the way toward a deeper and more compassionate way to live while eloquently revealing the means to confront evil both within and without **The Miracle Book** Morris Cerullo, 1984-05-15 The Miracle Book by Morris Cerullo will reveal how God wants you to live in a rhythm of miracles Dr Cerullo will take you behind the scenes to share with you the stories of miracles he has experienced and will guide you to receiving your miracles Chapter titles include You Were Made for Miracles Your Life Can Be Filled with Miracles Take Your Eyes Off Your Circumstances See Your Problems as Miracle Opportunities Every Promise of God Contains the Seed for Your Miracle
