The Miracles Of Christ:

The Miracles of Jesus According to John Stephen S. Kim,2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

The Miracles Simon J. Kistemaker,2006-08-01 Most Christians know the stories of Jesus healing people and controlling nature but many are less sure why Jesus did these things or how they relate to their lives today Theologian professor and author Simon J Kistemaker carefully examines each of Jesus s miracles He lays out the cultural background explains symbolism and Old Testament connections and fleshes out the details of each story Each chapter also includes a section focused on how the miracle relates to the life of the modern follower of Jesus Kistemaker s scholarly attention to detail coupled with accessible explanations and application will make this book valuable to everyone from lay readers to pastors looking for sermon material

The Miracles of Jesus Peter Negron,2018-07-03 We live in a broken and fallen world and it is a world where people need help and often a miracle But today it seems as if miracles have become a part of the past We don t hear of many miracles and more people even some in the Christian community have stopped believing expecting or even waiting for a miracle So where are the miracles *The Miracles of Jesus* is for anyone who is interested in miracles needs a miracle or knows someone who needs a miracle from the Lord Author and pastor Peter Negron shares the inspirational and encouraging testimonies of real people with real miracles including the real miracles of Jesus that we can read about in the Word of God By showing you how to position yourself for a miracle these testimonies can help you to believe again in the love and mercy of God through his miraculous answers to our prayers Miracles are a sign from God and these miraculous signs help people believe in Jesus And while some may receive a sudden miracle many others must also make the effort to position themselves in the right place take the right steps and put their faith in God In every case though we must simply trust in God and in his grace and mercy and through prayer we will be in a position of faith both for ourselves and for others in need of a miracle
