The Mirror William A. Stephens, Jr., 2017-12-30 The Mirror dates back to when I was a child to a time I was suffering with severe Post Traumatic Stress Disorder This is an inspirational book for people who are dealing with issues and trying to cope from the demons of PTSD The stories you are about read some are long but never dull Some of the stories are based on relationship and based around family and friends Some were written during the time of conflict or war Poetry is to relax the mind when your mind is filled with all kinds of hate and killing and there is nowhere for things to go and no more bullets left to shoot at the enemy and nowhere do you go from here [The Mirror](#)

that he appears to reside in a mirror historical records say Nick died in 1902 Callista is intrigued by Nicks claim that the year is 1902 so she investigates and uncovers a timeline of suspicious crimes and enchanted mirrors that connect her to the twentieth century She also realizes that shes falling for Nick who is condemned to be murdered in August As the date of Nicks impending death approaches Callista must decide if shes willing to risk changing history and erasing her place in the modern world in order to prevent the tragic crime and save the man she loves *The New-York Mirror* ,1840 *The Mirror* ,1822 *The Mirror* Marlys Millhiser,2015-05-05 In this twisting time travel thriller a woman faints on the eve of her wedding and awakens at the turn of the century in her grandmother s body The night before she is supposed to get married Shay Garrett has no idea that a glimpse into her grandmother s antique Chinese mirror will completely transform her seemingly ordinary life But after a bizarre blackout she wakes up to find herself in the same house but in the year 1900 Even stranger she realizes she is now living in the body of her grandmother Brandy McCabe as a young woman Meanwhile Brandy having looked into the same mirror awakens in Shay s body in the present day and discovers herself pregnant As Rachael the woman who links these two generations mother to one and daughter to another weaves back and forth between two time periods this imaginative thriller explores questions of family identity and love Courageous compassionate Shay finds herself fighting against the confines of a society still decades away from women s liberation while Brandy struggles to adapt to the modern world she has suddenly been thrust into The truth behind this inexplicable turn of events is more complex than either woman can imagine and *The Mirror* is a tribute to the triumph of the female spirit even in the face of seemingly insurmountable obstacles What happens will surprise you In the meantime settle down for a good read *The Denver Post*

The Girl In the Mirror Lumi Winterson,2016-02-16 Mental illness directly or indirectly effects everyone and yet it makes the sufferer feel completely alone I am speaking out to tell my story in hopes that others may find the courage to heal I have been to hell and back but I am strong enough now to speak up and to tear down the walls caused by stigma Everyone deserves some happiness and understanding which I hope you will find within this book **The Mirror of Her Dreams** Stephen R. Donaldson,2013-09-04 With *The Chronicles of Thomas Covenant* Stephen R Donaldson changed the face of fantasy fiction forever In *The Mirror of Her Dreams* the astonishing first novel in the two volume Mordant s Need series Donaldson shows us a world of wondrous beauty and seductive illusion where mirrors hold the deadliest of magics and nothing is what it seems The daughter of rich but neglectful parents Terisa Morgan lives alone in a New York City apartment a young woman who has grown to doubt her own existence Surrounded by the flat reassurance of mirrors she leads an unfulfilled life until the night a strange man named Geraden comes crashing through one of her mirrors on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land Terisa is no champion She wields neither magic nor power And yet much to her own surprise when Geraden begs her to come back with him she agrees Now in a culture where women are little more than the playthings of powerful men in a castle honeycombed with secret passages

and clever traps in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air Terisa must become more than the pale reflection of a person For the way back to Earth is closed to her And the enemies of Mordant will stop at nothing to see her dead
