The Missing Child A Jeri Howard Mystery:

The Missing Child Janet Dawson,1995 **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31

Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Nobody's Child* Janet Dawson,1995 Private investigator Jeri Howard embarks on a dangerous search for a runaway among the homeless in the streets of Berkeley *St. James Guide to Crime & Mystery Writers* Jay P. Nobody's Child Janet Dawson,1996-09 The bestselling award winning mystery series starring P I Jeri Howard continues Posing as a homeless person Jeri Howard probes the darkening heart of Berkeley to find out why a girl ran away from home ended up on the streets and may have ended up dead *Cold Trail* Janet Dawson,2020-03-23 Exciting Dawson keeps the suspense high as Jeri seeks to find her brother before it s too late Publishers Weekly Oakland P I Jeri Howard tackles her most personal case yet Her brother Brian has disappeared and has been missing for four days before she is notified The trail is getting colder as the anxious PI searches for Brian across Sonoma County for clues to explain why he disappeared She d

thought Brian's life was in great shape. But her investigation uncovers cracks in his marriage and problems with his job. To complicate matters, there's a body on a boat along with Brian's MedicAlert bracelet and two police detectives who think Brian is involved in the homicide. Meanwhile, the clock keeps ticking.
