The Motion Of History And Other Plays:

The Motion of History and Other Plays LeRoi Jones,1978 *The Motion of History, and Other Plays* by Amiri Baraka
LeRoi Jones,1978 Twentieth Century Drama Simon Trussler,1983-04-01 A compendium of information on all the main events individuals political groupings and issues of the 20th century It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading **Black Theatre USA Revised and Expanded Edition, Vol. 1** James V. Hatch,Ted Shine,1996-03 A collection of 51 plays that features previously unpublished works contemporary plays by women and the modern classics **Twentieth Century American Literature** Warren French,1980-11-01 **Slavery & Race in American Popular Culture** William L. Van Deburg,1984 Spanning more than three centuries from the colonial era to the present Van Deburg s overview analyzes the works of American historians dramatists novelists poets lyricists and filmmakers and exposes through those artists often disquieting perceptions the cultural underpinnings of American current racial attitudes and divisions Crucial to Van Deburg s analysis is his contrast of black and white attitudes toward the Afro American slave experience There has in fact been a persistent dichotomy between the two races literary historical and theatrical representations of slavery If white culture makers have stressed the unmaning of the slaves and encouraged such stereotypes as the Noble Savage and the comic minstrel to justify the blacks subordination Afro Americans have emphasized a counter self image that celebrates the slaves creativity dignity pride and assertiveness ISBN 0 299 09634 3 pbk 12 50 **Amiri Baraka** Jerry Watts,2001-08-01 Amiri Baraka formerly known as LeRoi Jones became known as one of the most militant anti white black nationalists of the 1960s Black Power movement An advocate of Black Cultural Nationalism Baraka supported the rejection of all things white and western He helped found and direct the influential Black Arts movement which sought to move black writers away from western aesthetic sensibilities and toward a more complete embrace of the black world Except perhaps for James Baldwin no single figure has had more of an impact on black intellectual and artistic life during the last forty years In this groundbreaking and comprehensive study the first to interweave Baraka s art and political activities Jerry Watts takes us from his early immersion in the New York scene through the most dynamic period in the life and work of this controversial figure Watts situates Baraka within the various worlds through which he travelled including Beat Bohemia Marxist Leninism and Black Nationalism In the process he convincingly demonstrates how the 25 years between Baraka s emergence in 1960 and his continued influence in the mid 1980s can also be read as a general commentary on the condition of black intellectuals during the same time Continually using Baraka as the focal point for a broader analysis Watts illustrates the link between Baraka s life and the lives of other black writers trying to realize their artistic ambitions and contrasts him with other key political intellectuals of the time In a chapter sure to prove controversial Watts links Baraka s famous misogyny to an attempt to bury his own homosexual past A work of extraordinary breadth Amira Baraka is a powerful portrait of one man s lifework and the pivotal time it represents in

African American history Informed by a wealth of original research it fills a crucial gap in the lively literature on black thought and history and will continue to be a touchstone work for some time to come **The Theater of Black Americans** Errol Hill,1987 Applause Books From the origins of the Negro spiritual and the birth of the Harlem Renaissance to the emergence of a national black theatre movement The Theatre of Black Americans offers a penetrating look at a black art form that has exploded into an American cultural institution Among the essays James Hatch Some African Influences on the Afro American Theatre Shelby Steele Notes on Ritual in the New Black Theatre Sister M Francesca Thompson OSF The Lafayette Players Ronald Ross The Role of Blacks in the Federal Theatre Theatre, Society and the Nation S. History Comes Alive M. J. Rymsza-Pawlowska,2017-10-03 During the 1976 Bicentennial celebration millions of Americans engaged with the past in brand new ways They became absorbed by historical miniseries like Roots visited museums with new exhibits that immersed them in the past propelled works of historical fiction onto the bestseller list and participated in living history events across the nation While many of these activities were sparked by the Bicentennial M J Rymsza Pawlowska shows that in fact they were symptomatic of a fundamental shift in Americans relationship to history during the 1960s and 1970s For the majority of the twentieth century Americans thought of the past as foundational to but separate from the present and they learned and thought about history in informational terms But Rymsza Pawlowska argues that the popular culture of the 1970s reflected an emerging desire to engage and enact the past on a more emotional level to consider

the feelings and motivations of historic individuals and most importantly to use this in reevaluating both the past and the present This thought provoking book charts the era s shifting feeling for history and explores how it serves as a foundation for the experience and practice of history making today *Re-writing Pasts, Imagining Futures* Gomia, Victor N.,Ndi, Gilbert Shang,2018-02-20 The papers in this volume focus on fiction and theatre in their traditional forms as well as in their encounters with novel and innovative forms and avenues of dissemination As a cultural practice that emerged from a process of protest and contestation of hegemony it is understandable that one main concern in African literature and literary criticism is the resistance against the emergence of marginalizing centers in formerly or currently marginalized societies with regard to discourses aesthetics and media of creation These new centers that sometimes undermine the strategic tactical exploitation of the relative advantage procured by each medium run the risk of leading to new forms of stratification that mitigate the import of African and African diasporic literatures The collection of essays therefore seeks to analyze the representation of pertinent socio political and historical questions in a variety of postcolonial texts from Africa and the African diasporas notably the Caribbean islands and the United States of America However far from re writing of history in a way that cedes to conservative worldviews creative writers and critics simultaneously attempt to chart ways forward for socially all inclusive futures In the context of colonial and neo colonial legacies that seem to forestall any sense of individual and collective self fulfillment contributors to this volume examine the pertinence of African fiction and theatre in imagining new vistas of re conceptualizing the postcolonial condition in ways that re galvanize the belief in an enabling future *Ernie McClintock and the Jazz Actors Family* Elizabeth M. Cizmar,2023-01-19 Ernie McClintock and the Jazz Actors Family is a critical biography examining the life and work of Ernie McClintock the founder of the Jazz Acting Method and 1997 recipient of the Living Legend Award from the National Black Theatre Festival whose inclusive contributions to acting and actor training have largely remained on the fringes of scholarship and practice Based on original archival research and interviews with McClintock s students and peers this book traces his life from his childhood in Chicago to Harlem in the 1960s at the height of the Black Arts Movement to Richmond Virginia in 2003 paying particular attention to his Black Power influenced culturally specific acting theory and versatile Black theatrical productions As a biographical study this book establishes McClintock as a leading figure of the Black Theatre Movement proven by the Jazz Acting technique his critically acclaimed productions and his leadership positions in organizations such as the Black Theatre Alliance Ernie McClintock and the Jazz Actors Family explores how the Jazz Acting technique was applied in productions such as N R Davidson s El Hajj Malik Derek Walcott s Dream on Monkey Mountain Cheryl West s Before It Hits Home Endesha Mae Holland s From the Mississippi Delta and many collectively authored pieces The book also investigates why he has been excluded from dominant theatre histories especially considering how as a gay Black man he persistently defied the status quo questioning practices of administrators of theatres and mainstream theatrical standards Ernie McClintock and the Jazz Actors Family is situated at the intersection

of Black acting theory Black Arts Movement history and Black queer studies and is an illuminating study of an important figure for actors acting teachers acting students and cultural historians This is an essential resource for readers who are seeking histories and approaches outside of a white straight Eurocentric framework *St. James Reference Guide to English Literature: 20th century drama* ,1985 Start a Riot! Casarae Lavada Abdul-Ghani,2022-07-27 While the legacy of Black urban rebellions during the turbulent 1960s continues to permeate throughout US histories and discourses scholars seldom explore within scholarship examining Black Cultural Production artist writers of the Black Arts Movement BAM that addressed civil unrest specifically riots in their artistic writings *Start a Riot Civil Unrest in Black Arts Movement Drama Fiction and Poetry* analyzes riot iconography and its usefulness as a political strategy of protestation Through a mixed methods approach of literary close reading historical and sociological analysis Casarae Lavada Abdul Ghani considers how BAM artist writers like Amiri Baraka LeRoi Jones Ben Caldwell Gwendolyn Brooks Sonia Sanchez and Henry Dumas challenge misconceptions regarding Black protest through experimental explorations in their writings Representations of riots became more pronounced in the 1960s as pivotal leaders shaping Black consciousness such as Malcolm X and Martin Luther King Jr were assassinated BAM artist writers sought to override the public s interpretation in their literary expos s that a riot s disjointed and disorderly methods led to more chaos than reparative justice *Start a Riot* uncovers how BAM artist writers expose anti Black racism and by extension the United States inability to compromise with Black America on matters related to citizenship rights housing in security economic inequality and education tenets emphasized during the Black Power Movement Abdul Ghani argues that BAM artist writers did not merely write literature that reflected a spirit of protest in many cases they understood their texts themselves as acts of protest
