on the Scottish island of Skye was swamped by immigrants cleared from other north Skye estates The resultant overcrowding and over use of land caused simmering discontent not against the incomers but against the landowners who regarded their tenants as no more than chattels This book is a definitive account of what happened when the powderkeg erupted and a full scale land war ensued Pitched battles with police factors and bailiffs military intervention arrests trials imprisonment and the personal intervention of the Prime Minister were to have huge consequences for crofters all over the Highlands who ultimately were the victors At the heart of the rising was a man named John MacPherson of Lower Milovaig in Glendale a courageous charismatic and articulate crofter who was twice imprisoned for leading a rebellion against a system which kept all but the wealthiest in a state of bitter servitude MacPherson quickly became known as the Glendale Martyr Martyrs tells the story of John MacPherson his comrades his allies his enemies and his final success **The Thousandth Man** Barry Cahill, Osgoode Society for Canadian Legal History, 2000-01-01 James McGregor Stewart 1889 1955 was perhaps the foremost Canadian corporate lawyer of his day He was also an appellate counsel venture capitalist Conservative Party fundraiser bibliographer of Rudyard Kipling and sometime university teacher of classics A leader of the bar in the inter war period he was the first Maritimer to serve as president of the Canadian Bar Association He distinguished himself mainly in constitutional cases before the Judicial Committee of the Privy Council During his career Stewart was also head of the leading law firm in eastern Canada now Stewart McKelvey Stirling Scales director and vice president of the Royal Bank of Canada and senior counsel to the Royal Commission on Dominion Provincial Relations Above all Stewart was committed to the idea of law as a truly learned profession and to the bar as the most important legal institution To this day no lawyer has held such prestige and power both within and outside Atlantic Canada in his time he was the only Maritime lawyer who gained full acceptance by every branch of the Canadian establishment Thematic rather than chronological in approach this fascinating legal biography provides both a history of a uniquely Canadian career and an interpretation of its significance for Stewart's time and ours **SUMMING UP JOHN MENADUE**, 2024-07-03 The world and its people are facing serious local and global challenges Climate change economic instability limits to free speech threats to independent media reporting and increasing social inequality all signal the breakdown of democratic systems across the world Our political institutions and leaders are failing us with increasingly conservative policies that favour big business Far right political movements gain ascendancy and move whole nations towards fascism while American hostility to China threatens global security and economic prosperity Yet we learn and grow most when we are challenged by difference and adversity when we are out of our comfort zones Such experiences offer turning points for change I've had many such turning points throughout my career and have become more radical as I've grown older In 1999 I published my autobiography Things You Learn Along the Way This new collection continues with personal accounts and my views on issues that remain of concern to me It comprises posts I wrote for Pearls and Irritations along with several speeches interviews and articles I've written over the past 14 years I hope
