**The Mysteries** Lisa Tuttle, 2005-03-01 Award winning author Lisa Tuttle delivers a riveting novel combining one man's search for a missing woman with history's most enduring legends of the disappeared. A thriller, detective story, and fantasy all in one. Unique. A winner. Dean Koontz. What happens when someone vanishes without a trace? Ian Kennedy always had a penchant for stories about missing people and a knack for finding them. Now a sought-after private investigator, Ian faces a case he fears he cannot solve and one he knows he must. Laura Lensky's stunning twenty-one-year-old daughter Peri has been missing for over two years. But when Ian learns the details of her disappearance, he discovers eerie parallels to an obscure Celtic myth and the haunting case that launched his career. A success he's never fully been able to explain. Though Ian suspects that Peri chose to vanish, he takes on the search. What follows leads him and those who care for Peri into the Highlands of Scotland as the unknowns of the past and present merge in the case and in their lives. Praise for *The Mysteries*: Lisa Tuttle never disappoints. Richly imagined and beautifully written, *The Mysteries* lingers in the mind long after the last page is turned. George R. R. Martin. A remarkable piece of work. Successfully balancing the miraculous and the mundane, *The Mysteries* offers a variety of unexpected pleasures and marks the overdue return of a stylish, distinctive storyteller.

Washington Post Book World: Superlative dark fantasy. Tuttle has total command of setting, style, and her folklore sources. Publishers Weekly: starred review. **The Reasonableness of Assenting to the Mysteries of Christianity Asserted and Vindicated**, 1708

*The Gnostic Bible: The Pistis Sophia Unveiled* Samael Aun Weor, 2025-02-01 The words of Jesus unedited and clearly explained. It came to pass when Jesus had risen from the dead that he passed eleven years discoursing with his disciples and instructing them. The Pistis Sophia. The Apostles wrote down what Jesus taught them during those eleven years, resulting in The Pistis Sophia, the most important Gnostic scripture. This edition includes an extensive commentary by Samael Aun Weor. The Pistis Sophia is a sophisticated and deeply mystical teaching given by Jesus about the suffering of Sophia as she attempts to ascend to the highest spiritual truth. This scripture is remarkable for its profound mysticism, its clear rebuke of unethical behavior, and its perspective on the spiritual role of women. Having read this text, it becomes very clear why the established religious powers attempted to obliterate the Gnostics but failed. Study of this teaching also inspires a re-evaluation of how the Christian Gospels have been interpreted for centuries. Most importantly, the teachings presented here provide a remarkable insight into the true requirements for genuine spiritual development. About this scripture, the commentary author Samael Aun Weor said: The Hebrew Bible clearly connotes the Word of the Eternal One. However, we the Gnostics also have our very special Bible. I want to emphatically declare that this is The Pistis Sophia, whose original is in Coptic. It was found underground in Egypt, the land of the Pharaohs. The Pistis Sophia contains all the words of the adorable Savior of the world. It was written by the Apostles. Thus, all the Esoteric Christic instructions that Jesus Christ gave to his disciples on the Mount of the Olives and other holy places is written within this book. This book had been

conserved in secret for many centuries In this book the Adorable One left an extraordinary formidable body of doctrine The Pistis Sophia Unveiled is a message for all humankind in every corner of the world A New Literal Translation from the Original Greek, of All the Apostolical Epistles. With a Commentary, and Notes ... To which is Added, a History of the Life of the Apostle Paul ... By James Macknight ... The Fourth Edition.
