Howlett,Audrey Cohan,2016-07-27 Although his work and life have been well documented John Dewey s role in the postwar peace movement has been generally overlooked In America s Peace Minded Educator the authors take a close look at John Dewey s many undertakings on behalf of world peace **Codifications proposal ...** Jeremy Bentham,1830 *Reports of Cases Decided in the High Court of Chancery ...* Great Britain. Court of Chancery,1843 *The Impending Midnight Cry* Befekadu Admassu,2019-12-17 The world is in great turmoil Nuclear cataclysm is a real and present danger and the talk of a third world war has become all too common even among the most influential personalities Political instability is shaking the great nations that once claimed to be bastions of democracy and rule of law Geopolitical rivalry among the superpowers is ripping apart the institutions that ensured relative peace and stability around the globe for the past several decades Moral decline is destroying the nuclear family and the fabric of society particularly in the once Christian West as more people abandon faith and traditional family values Paradoxically we also live in the most technologically advanced age that humanity has ever seen We have the highest level of material wealth information and knowledge governments global and regional organizations schools universities and research centers hospitals doctors and experts in every field of knowledge We have by far the fastest efficient cost effective and convenient means of communication travel production and distribution as well as health care and entertainment than even our most recent progenitors And yet we are becoming more cruel to each other Our leaders want to take us somewhere but they themselves do not know the destination There appears to be a broad realization that the world is not going in the right direction Many are the calls for change of course and diverse the propositions for direction Are we humans left to our own devices to extricate ourselves from the quagmire into which we have fallen Are we condemned to endless failure Is there a hope for us as individuals families communities and nations The Jewish prophets of old who penned the books of the Bible not only foresaw the storms that would billow throughout the many millennia that followed their times but also assured us of a beautiful and lasting final outcome Their predictions have proved true time and again The most intriguing promise of the prophets was the coming of the Messiah who will rule the world with truth and righteousness The Gospels tell us an even more audacious story that the predictions of the prophets actually came true in the birth of Jesus Christ two thousand years ago The writers of the New Testament have also penned for us the promises of Jesus of Nazareth the only Son of God to come back at the end of the age to establish God s kingdom Could the turmoil we see today be the very birth pangs that will finally usher in the promised kingdom of God *An Historical Sketch of the Equitable Jurisdiction of the Court of Chancery ,* *Vindiciae Hibernicae* Mathew Carey,1837 **Vindiciæ Hibernicæ** Mathew Carey,2024-09-12 Reprint of the original first published in 1837 **Vindiciae Hibernicae; Or Ireland Vindicated.
