Sion Revelation:

The Sion Revelation Lynn Picknett, Clive Prince, 2006-02-07 Explores the mysterious Priory of Sion organization investigating key questions about the alleged descendants of Jesus and Mary Magdalene Leonardo da Vinci's possible membership and the identity of Grand Master Pierre Plantard

The Book of Revelation John Paul Heil, 2014-04-07 John Paul Heil presents an original analysis of the theme of worship in the book of Revelation guided by a new illustration of its comprehensive chiasmic structure The worship that Revelation exhorts and enables is in the divine Spirit of prophetic witness against all forms of idolatrous worship on earth in favor of a true heavenly and universal worship of the Lord God and the Lord Jesus Christ the Lamb for an eternal and heavenly life The audience begins this worship in the eucharistic supper into which Revelation leads them by inviting them to respond to the promise of Jesus Yes I am coming soon with Amen Come Lord Jesus They thereby affirm and welcome the coming of the Lord Jesus the exalted sacrificial Lamb to the eucharistic supper that anticipates his final coming and the divine grace the gift of eternal life of the Lord Jesus that is intended to be the destiny of all The grace of the Lord Jesus with all

The Tree of Life and the Holy Grail Sylvia Francke, 2007 Recent works of fiction and popular history have promoted the idea that the Holy Grail symbolizes a physical bloodline that resulted from a union of Jesus Christ and Mary Magdalene It is claimed by some that this is the secret kept tirelessly by certain esoteric movements for the past two millennia Based on her groundbreaking research Sylvia Francke exposes this notion as a blatant misinterpretation of the mystery traditions that preceded and ran parallel to the birth of Christianity She traces the ancient spiritual paths of knowledge from the Cathars the Knights Templar and the enigmatic Rosicrucians to the work of Rudolf Steiner in the twentieth century Here she concludes is true Grail knowledge the Tree of Life and the Holy Grail itself explained in their metaphysical context She suggests a solution to the mystery of sudden wealth and the strange behavior of Brengel Saunière the mysterious priest of Rennes-le-Château in southern France True Grail knowledge Francke concludes has nothing to do with bloodlines or worldly status rather it is an ancient lifeline to the spiritual origins of creation Its energetic forces radiate out from the Earth and in from the constellations and planets while interacting with human individuals It represents the key to fulfilling humanity's quest and the next step in human evolution The recent explosion of interest in revisionist Christianity history the shadow Grail prompted Sylvia Francke to revise *The Tree of Life and the Holy Grail* first published in 1996 The result is a completely reworked and expanded book that offers a powerful and convincing refutation of distorted esoteric truths

ARMAGEDDON IN HEAVEN Ernesto Illingworth, 2023-05-22 From a conflict in the Middle East to a nuclear war an alien invasion or a meteorite destroying the earth forever many have speculated about the battle of Armageddon Catholics Evangelicals Jehovah Witnesses and Seventh day Adventists are among the most prominent proponents of what they consider the true interpretation Can we

have the assurance of what this battle is all about Since everyone claims to understand it how can we know who is right True biblical interpretation is based upon the framework of the conflict that began in heaven The Bible is written in patterns that ripple throughout the scriptures Once you understand the pattern it becomes virtually impossible to deviate from the true meaning Biblical repetition affirms truth Discover how Armageddon is hard to misinterpret when understood from the proper framework By reading this book you ll see how every story in the Bible is interconnected with the early cosmic conflict
