Sir William Osler 1849-1919:

Sir William Osler International Academy of Pathology, 1926 **National Library of Medicine Catalog** National Library of Medicine (U.S.), 1960 **Remembrances and Celebrations** Jill Werman Harris, 2007-12-18 A rich anthology of memorial tributes that offers a welcome reminder that although words cannot necessarily assuage grief they can provide tremendous comfort and perspective during our times of loss The likes of Dr Martin Luther King Benjamin Franklin W H Auden and Diana Princess of Wales as well as ordinary folk from the seventeenth century to the present are mourned and celebrated in the memorable eulogies condolence letters poems and epitaphs collected in these pages *Residents, A Teaching Skills* Janine C. Edwards, Joan A. Friedland, Robert Bing-You, 2002 The editors have collected an impressive array of practical material that will guide any academic medical center in the development of a more focused approach to teaching the teachers From learning theory and program development to teaching performance evaluation and specialty specific materials *Residents Teaching Skills* covers all the bases I commend this volume to the attention of medical educators everywhere and residency program directors in particular from the Foreword by Jordon J Cohen MD President Association of American Medical Colleges This book provides practical guidance to plan organize and run a teaching skills program for medical residents Readers will find that Part Two offers exact materials for course use including modules for use with pediatric residents teaching clinical procedures works rounds and role play plus evaluation forms that can be used as written or customized to fit a particular program **Unpacking the Personal Library** Jason Camlot, J.A. Weingarten, 2022-07-01 *Unpacking the Personal Library The Public and Private Life of Books* is an edited collection of essays that ponders the cultural meaning and significance of private book collections in relation to public libraries Contributors explore libraries at particular moments in their history across a wide range of cases and includes Alberto Manguel's account of the Library of Alexandria as well as chapters on library collecting in the middle ages the libraries of prime ministers and foreign embassies protest libraries and the slow transformation of university libraries and the stories of the personal libraries of Virginia Woolf Robert Duncan Sheila Watson Al Purdy and others The book shows how the history of the library is really a history of collection consolidation migration dispersal and integration where each story negotiates private and public spaces *Unpacking the Personal Library* builds on and interrogates theories and approaches from library and archive studies the history of the book reading authorship and publishing Collectively the chapters articulate a critical poetics of the personal library within its extended social aesthetic and cultural contexts *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), *Current Catalog* National Library of Medicine (U.S.), 1982 First multi year cumulation covers six years 1965-70 **Health Information — New Possibilities** Tony McSeán, John van Loo, 2012-12-06 The 1994 conference of the European Association for Health Information and Libraries drew together an exceptional group of invited speakers and contributed papers Speakers came from every part of Europe from N America and even from Australia and almost all the

papers presented are collected in this volume. They represent an important summary of the state of the art in libraries and information services in the medical and health areas and are a rich source of advice, assistance and information for everyone working in related fields. Most of the themes concentrate on the important growth areas of the profession: computer based information services, networking, especially the Internet and CD ROMs. More general topics are not ignored and the book contains many interesting contributions on identifying the needs of library users and evaluating how well these are being met. There is also an important section on the history of medicine.
