Sisters With Power:

A Sister's Power Cydney Rax, 2019-10-29 For the five Reeves women nothing is more important than keeping their family bond tight and their communication flowing But honesty isn't so clear cut when it could blow up everything they've fought to build Already reeling from betrayal middle sister Coco is fed up with lies including her own If she has her way someone else's neck needs to be on the line for a change But soon Coco's in deep trouble with the law her future hanging in the balance Now the only thing that can save her is revealing one last devastating truth Struggling with unthinkable loss Coco's sister Burgundy finds comfort in a colleague's arms But her eight year old daughter wants no part of him She wants the life she enjoyed when her father was alive As Burgundy fights to move on from the shocking tragedy of her marriage she seeks a silver lining And against all odds she wants herself and all her sisters to win In spite of secrets lies deception and hurt she will do whatever it takes to support and empower her family Even if it means risking everything that's important to her Now between revenge grief and forgiveness these siblings will challenge themselves and all they think they know about each other in a showdown that may leave them united or cause them to forever fall apart Praise for A Sister's Secret Clever Compelling Captivating RT Book Reviews
