Situation And Theology Old Testament Interpretations Of Syroephraimite War:

Situation and Theology Michael E. W. Thompson, 1982 **Situation and Theology** Michael E. W. Thompson, 1982 **A History of Israelite Religion in the Old Testament Period** Rainer Albertz, 1994-01-01 This book the first of two volumes offers a comprehensive history of Israelite religion It is a part of the Old Testament Library series The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **The Birth Report Genre in the Hebrew Bible** Timothy D. Finlay, 2005 Timothy D Finlay conducts a comprehensive analysis of all birth reports in the Hebrew Bible These passages include genealogies stories of annunciation to barren women and prophetic narratives The birth reports may be short but they contribute greatly to the plot **BOOK JACKET** **The Old Testament and Folklore Study** Patricia G. Kirkpatrick, 1988-03-01 Since Gunkel folklore studies have exercised a great influence upon theories of oral composition and transmission of the patriarchal narratives Dr Kirkpatrick subjects the underlying premises supporting many of these theories to a careful examination in the light of the most recent folklore research **A Historical-Critical Study of the Book of Zephaniah** Ehud Ben Zvi, 2012-10-25 The series Beihefte zur Zeitschrift f r die alttestamentliche Wissenschaft BZAW covers all areas of research into the Old Testament focusing on the Hebrew Bible its early and later forms in Ancient Judaism as well as its branching into many neighboring cultures of the Ancient Near East and the Greco Roman world **Retribution and Eschatology in Chronicles** Brian E. Kelly, 1996-01-01 The Jews who returned from exile in Babylonia to Jerusalem and Judah faced difficult and straitened times in which the bright hopes of the Restoration had faded The Chronicler wrote his history partly to encourage his community to have faith in God s ancient promises to David that better things would come to a penitent people Although not often recognized as such the books of Chronicles belong to the mainstream of biblical teaching on divine grace and hope as the present study shows by analysing its themes of reward and punishment and its teaching on the future It differs significantly from the interpretation given by Sara Japhet in her monograph on Chronicles of 1989 and her major new commentary of 1993 *Bloodshed by King Manasseh, Assyrians and Priestly Scribes* Krzysztof Kinowski, 2024-01-22 King Manasseh of Judah is one of the most intriguing characters in the Bible 2 Kings presents him as the wickedest of monarchs In 2Kgs 24 3 4 he is accused of having provoked God to destroy Judah on account of the innocent blood he had shed in Jerusalem cf 2Kgs 21 16 In his study Krzysztof Kinowski investigates this accusation viewing it against the biblical and ancient Near East backgrounds and casts a new light upon Manasseh s role in the fall of Jerusalem The mention of bloodshed in this affair appears to be the outcome of a process of scapegoating of Manasseh ongoing in 2 Kings and reflecting both the legal and the cultic paradigms governing the biblical historiography The link between Manasseh s bloodshed and the destruction of Judah on account of the cultic land s blood defilement points towards a group of priestly scribes involved in the production of the 2Kgs 21 and 24 narratives This assumption lies behind the scholarly discussion

about the Priestly like strata and priestly touches in the Books of Kings

The Sanctuary of Bethel and the

Configuration of Israelite Identity Jules Francis Gomes, 2012-02-14 After Jerusalem Bethel is the most frequently cited sanctuary in the Hebrew Bible The book offers a detailed analysis of Bethel and its sanctuary from archaeological and biblical evidence It reconstructs the history of Bethel and by analysing the presence of pro and anti Bethel propaganda it argues that the latter with its own pro Jerusalem Judah bias has resulted in an unfair denigration of Bethel as an idolatrous place of worship The study suggests that Bethel was a legitimate Yahwistic shrine and continued to be so even after the fall of the Northern Kingdom of Israel to the Assyrians Hence Bethel in a real sense was the principal means of configuring Israelite identity

Hosea 2 Brad E. Kelle, 2005 The complex and at times violent metaphorical discourse of Hosea 2 has elicited a variety of interpretive approaches This study explores the text from the perspective of rhetorical criticism The classical conception of rhetoric as the art of persuasion and the function of metaphor within persuasive discourses and social settings correlate with the oracular characteristics of Hosea 2 and illuminate its use of specific metaphors A reading of Hosea 2 from this perspective proposes that the prophets of Israel may have functioned in a manner similar to the orators of ancient Greece who delivered extended rhetorical discourses designed to discern meaning in contemporary events and to persuade audiences This study offers a distinctively political reading of Hosea 2 that explores the text as a metaphorical and theological commentary on the political and religious dynamics in Israel at the close of the Syro Ephraimitic War 731 730 BCE Paperback edition is available from the Society of Biblical Literature www.sbl-site.org
