*Slow Motion* Dani Shapiro, 2012-09-05 From one of the most gifted writers of her generation comes the harrowing and exquisitely written true story of how a family tragedy saved her life Dani Shapiro was a young girl from a deeply religious home who became the girlfriend of a famous and flamboyant married attorney her best friend's stepfather The moment Lenny Klein entered her life everything changed she dropped out of college began to drink heavily and became estranged from her family and friends But then the phone call came There had been an accident on a snowy road near her family's home in New Jersey and both her parents lay hospitalized in critical condition This haunting memoir traces her journey back into the world she had left behind At a time when she was barely able to take care of herself she was faced with the terrifying task of taking care of two people who needed her desperately Dani Shapiro charts a riveting emotional course as she retraces her isolated overprotected Orthodox Jewish childhood in an anti Semitic suburb and draws the connections between that childhood and her inevitable rebellion and self destructiveness She tells of a life nearly ruined by the gift of beauty and then saved by the worst thing imaginable This is a beautiful and unforgettable memoir of a life utterly transformed by tragedy

**A Cry for Help** John Duffield, 2009-07 A Cry For Help provides the solution to a very old puzzle Namely why is it that millions of people desperate for happiness can't find it in thousands of self help books Every one of these books has tools in it that can help you and I make our dreams come true So what on earth can be wrong The answer is unbelievably simple but very difficult to believe It's this By far most of us have no idea what our own dreams are To make our dreams come true after all we must know what those dreams are first A Cry For Help reveals that a single sinister fear of being judged is keeping our dreams from us and how to take it away Once this fear is removed our dreams flow back into our lives like water and every single self help book can help make them real John Duffield

**His Love Endures Forever** Melanie D., 2024-07-17 His Love Endures Forever is an easy to read autobiography Starting at birth it's a compelling sometimes heart wrenching true story about a young girl's journey as she grows into her adolescent years and into womanhood Because she came from a broken home she was trying to find love and validation in all the wrong worldly places Before becoming a Christian she continually jumped into situations without thinking things through or taking

into consideration the consequences of her actions She repeatedly made the same mistakes while she was caught up in recurring vicious cycles While becoming a Christian she had so many overwhelming problems in her life that she called a prayer line one day The prayer line partner suggested that she start reading Psalms 91 every day for protection She recommended that Melanie write down a list of her problems and turn it all over to Jesus Melanie took her advice and made the list She surrendered all of her problems over to Jesus She laid her list down at Jesus feet and turned everything over to him The Lord heard her prayers and removed every problem off of the list one by one His Love Endures Forever includes amazing victories testimonies quoted scriptures authors thoughts and comments His Love Endures Forever consists of real life adventures trials and errors answered prayers her spiritual experiences and visitations The book also includes the challenges of her life s struggles Her story reveals her weaknesses hardships soul ties broken relationships and failed marriages It was a humbling learning process before she learned how to acquire patience and wisdom from the Lord The book includes the process that it took before during and after becoming a born again Christian It covers the events and situations in her life that only the Lord could have removed and pulled her out of God was on the move closing doors and opening new doors As she turns her life over to the Lord she realizes that He was with her throughout her entire journey of life As she reflects back on her life she discovers how many times there were proven signs wonders and even miracles along the way If it wasn t for the grace of God his protective covering and his anointing upon her life she s not sure that she could have survived Jesus filled the void within her heart while becoming a born again Christian and developing her relationship with Jesus Christ It was because of her love faith and putting her trust in God along the way that she finally discovers who she truly is and whose she truly is in Christ Jesus

**Oh Threats of Hell and Hopes of Paradise** John Fee

Gibson,2013-07-08 A book of five short stories 1 Oh threats of hell and hopes of paradise 2 One thing at least is certain this life flies 3 One thing is certain and the rest is lies 4 The flower that once has blown forever dies 5 I sent my soul into the invisible some letter of the afterlife spell My stories five are told in the first person and inspired by the Rubaiyat of Omar Khayyam the twelfth century philosopher and Edgar Allen Poe They tell of rape murder a philandering preacher an engineer driven to the gates of insanity by his perfectionist ideals and a despondent professor attempting to leave his legacy by trying to prove Carl Jung s theory of the collective unconscious I have been writing on these stories for a few years as the spirit would move me to write When someone asks me what they are about or to summarize them my brain sort of goes into neutral and I really don t know where to start I generally try to change the subject since I can t summarize in 4000 characters or less what I had for breakfast this morning If the inquisitive person is persistent I simply offer to let them read the book and then they change the subject Actually after meditating upon the Rubaiyat of Omar Khayyam and wallowing his quatrains around in my mind for a while I generally end up writing a little I think I m much like Omar still trying to deduce what this thing we call life is all about My stories touch on things from the simple life of an Appalachian Mountains sharecropper a dubious country preacher rape murder an arduous and unnecessary flight from justice snakebites and miraculous healings the lynching of an innocent black man and subsistence farm life to the complicated motives of brainy engineers and chemists attempting to leave their legacy to science by proving knowledge can be transmitted genetically thereby proving Carl Jung s theory of the
