Roland,2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night s Journey into Day centres on the lives of Canadian British

structure **Traitor By Default** Patrick Brode,2024-04-23 At the end of World War II a young Japanese Canadian would stand trial and face execution for having committed war crimes and betraying his country One of the most bizarre stories to emerge at the end of the Second World War was that of Kanao Inouye Born in Kamloops B C in 1916 he had relocated to his ancestral homeland of Japan and by 1942 was a translator for the Japanese army He was assigned to the prisoner of war camp in Hong Kong where he became infamous as one of the most sadistic guards of the Canadian survivors of the Battle of Hong Kong Scores of prisoners would attest to his brutality administered in revenge for the treatment he had received growing up in Canada His reputation was such that he was quickly apprehended after the war and faced charges of war crimes But his subsequent trials became mired in questions as to who he really was Was he a Canadian forced to serve in the Japanese military machine Or was he a devoted soldier of his emperor obeying his superiors *Serving God and Country* Lyle W. Dorsett,2013-05-07 In World War II more than twelve thousand Protestant ministers Catholic priests and Jewish rabbis joined the Chaplain Corps They were men of faith under fire And they would charge straight into Hell to save the soul of a single soldier Representing America s three major religious traditions volunteers from across the country enlisted as noncombatant commissioned officers to provide spiritual strength and guidance for those fighting men who never knew if they were going to survive Armed only with Bibles Torahs and the tools of their holy trade these men of God went wherever the troops went They prayed over men about to go into combat on land at sea and in the air And most important and difficult of all they guided fallen fighting men of every faith as they breathed their last and gave up their lives in the fight against tyranny These are the personal stories of some of the bravest and most selfless men who served with the armed forces Many lost their lives or suffered debilitating wounds as they strived to keep the military personnel spiritually awake morally fit and prepared to make the journey from this world to the next without fear or despair and with the trust of the Almighty in their hearts INCLUDES PHOTOGRAPHS **More than 1001 Days and Nights of Hong Kong Internment** Chaloner Grenville Alabaster,2022-03-11 More Than 1001 Days and Nights of Hong Kong Internment is the wartime journal of Sir Chaloner Grenville Alabaster former attorney general of Hong Kong and one of the three highest ranking British officials during the Japanese occupation He was imprisoned by the Japanese at the Stanley Internment Camp from 1941 to 1945 During his internment he managed to keep a diary of his life in the camp in small notebooks and hid them until his release in 1945 He then wrote his wartime journal on the basis of these notes The journal records his day to day experiences of the fall of Hong Kong his time at Stanley and his eventual release Some of the most fascinating extracts cover the three months immediately after the fall of Hong Kong and when Alabaster and his colleagues were imprisoned in Prince s Building in Central and before they were sent to the camp a period little covered in previous publications Hence the book is an important primary source for understanding the daily operation of the Stanley Internment Camp and the camp s environment Readers will also learn more about the daily life of those imprisoned in the camp and C G Alabaster s interaction with other prisoners there A prominent

figure in pre war Hong Kong Alabaster was one of the leaders of the British community in Stanley Internment Camp His recently discovered journal provides a detailed and candid account of the routines anxieties and hardships of camp life It also offers new insights into the complex politics and divisions among internees With its substantial editorial introduction this book is an important addition to the growing literature on internment during Japan s wartime occupation of Hong Kong Christopher Munn University of Hong Kong Of the many memoirs of the Stanley civilian internment camp this is perhaps the most fascinating and engrossing Written soon after the war and based on a diary it is not only a day by day description of the travails of life in captivity but also more interestingly an account of the inner tensions and divisions that were rampant among the British internees from beginning to end Edward J M Rhoads University of Texas at Austin [Light and Shade](#) Solomon Matthew Bard,2009-03-01 This collection of autobiographical essays tells of Dr Bard s childhood in Eastern Siberia with a detour to Moscow and the Crimea He moved to Shanghai in the mid 30s and spent his last school years there before moving to the University of Hong Kong to study medicine His newly acquired medical skills were invaluable in his years as a POW **The Fall of Hong Kong** Philip Snow,2003-01-01 The definitive account of the wartime history of Hong Kong On Christmas Day 1941 the Japanese captured Hong Kong and Britain lost control of its Chinese colony for almost four years a turning point in the process by which the British were to be expelled from the colony and from East Asia This book unravels for the first time the dramatic story of the Japanese occupation and reinterprets the subsequent evolution of Hong Kong Magnificent The clarity of mind Snow brings to his labor of storytelling and contextualizing is amazing John Lanchester Daily Telegraph Beautifully written with many telling anecdotes Lawrence D Freedman Foreign Affairs Very good Provides a much more nuanced picture than has appeared before in English of life among Hong Kong s different communities before and during the Japanese occupation Economist
