**The Battleship Bismarck** Bukard Baron von Mullenheim-Rechberg,2003-10-15 The Bismarck is probably the most famous warship of WWII The German battleship 45 000

tons was completed in early 1941 and went on to sink the Mighty Hood pride of the Royal Navy during one of the most sensational naval encounters ever. After a dramatic chase around the North Atlantic involving many units of the Royal Navy, Bismarck was finally dispatched with gunfire and torpedoes on 27 May, less than five months after she was completed. Her wreck still lies where she sank, 4800m down and 960km off the west coast of France. The Battleship Bismarck is the finest documentation of this famous ship ever published. What makes this and all Anatomy of the Ship volumes unique is a complete set of superbly executed line drawings, both the conventional type of plan as well as explanatory views with fully descriptive keys. These are supported by technical details, photos, and a record of the ship's service history. Complete with color references on the book cover as well as large scale plans on the interior flaps. I Am a Pencil Sam Swope, 2025-08-22 A teacher discovers how reading, writing, and imagining can help children grow, change, and even sometimes survive. A few years back, children's book writer Sam Swope gave a workshop to a third grade class in Queens. So enchanted was he with his twenty-eight students that he adopted the class for three years, teaching them to write stories and poems. Almost all were new Americans; his class included students from twenty-one countries, and Swope was drawn deep into their real and imaginary lives, their problems, hopes, and fears. I Am a Pencil is the story of his years with this very special group of students. It is as funny, warm, heartbreaking, and hopeful as the children themselves. Swope follows his colorful troop of resilient writers from grades three to five, coaxing out their stories, watching talents blossom, explode, and sometimes fizzle, holding his breath as the kids' families brave new lives in a strange big city. We meet Susie, whose mom was a Taoist priestess; Alex, who cannot seem to tell the truth; and Noelia, a wacky Dominican chatterbox. All of the children have big dreams. Some have big problems. Salvador, an Ecuadorian boy, must cope with a strict Pentecostal father. Soo Jung mystifies Swope with sudden silences until he discovers that her mother has left the family. Preparing his students for a world of adult dangers, Swope is astonished by their courage, humanity, but most of all by their strength.

A Caress of Water Nico Silver, 2025-06-12 A terrible sickness rages through the Eyrie, demanding all of Fionn's skill and magic as a healer, and leaving him no time to pine after the prince of Morven Forest. Far to the north, Kiernan awaits whatever terrible revenge his Queen will exact for the crime of evading her punishment. Kier still has no magic, but he is no longer cut off from his beloved forest. But instead of further discipline, Kiernan finds himself sent to Great River, where he is instructed to set up a Sidhe embassy in the mostly human city. Struggling with the loss of magic and the absence of the man he loves, the heart bond he shares with Fionn is all that keeps Kiernan grounded. Then that same bond delivers the devastating knowledge that something has happened to Fionn, something that has left him hurt and in pain. Too far away to send timely aid, Kiernan is left to decide if he can risk angering his Queen further by leaving his post to travel across the Isle. If he goes, he risks his freedom and that of his loyal staff. If he stays, Fionn might not survive.
