Cantwell, 2011-03-11 Peter Collins is a shy sixth grader who thinks his worst problems are being bullied by his stepfather and

his classmates until he awakens one night to see a giant feathered serpent hovering over his bed. Terrified beyond belief, he has no idea that he and his classmate Rosa Guzman are about to time travel to ancient Mexico on the back of Quetzalcoatl, the god of life and peace. Through Quetzalcoatl, Peter soon learns it is time for him to discover the powers that are his rightful heritage. Two nights later, the twelve-year-olds cling to the serpent's feathered coat and lift off away from Peter's bedroom, achieving speeds that send them to a different time. After they fly over a dazzling city of colorful pyramids and temples, the children quickly descend to earth in feathered parachutes and begin their mission to help a boy prince defeat the evil lords of Smoking Mirror, the god of war. Guided by the feathered serpent, Peter and Rosa find the courage to meet their challenges, unravel the Secret of the Smoking Mirror, and transform their lives. *Muscle, Smoke & Mirrors* Randy Roach, 2008

Navigating the big bad world is hard enough when you're young and working in hospitality; now imagine also having a complicated relationship with that one coworker that's way too old for you. Yup, that's me. You're probably wondering how I ended up in this situation. I sometimes wonder that too. This is a story of life and love and loss and all the things in between. *Smoke, Mirrors And Murder* Ann Rule, 2008-12-09

An ideal family is targeted for death by the least likely enemy who plotted their demise from behind bars. A sexual predator hides behind multiple fake identities, eluding police for years while his past victims live in fear that he will hunt them down. A modest preacher's wife confesses to shooting her husband after an argument, but there's more to her shattering story than meets the eye. These and other true cases are analyzed with stunning clarity in a page-turning collection you won't be able to put down. Included in this volume are stories of a victim burned beyond recognition, spontaneous human combustion, impossible, and yet no one else seemed to enter or exit, a man who was a woman who was a man, whose con games in a small community led to murder, a counterfeit priest who wasn't a priest at all, a lifetime rapist, and the strangest case ever to hit Montana. **Smoke & Mirrors** Rob Cunningham, 1996

*Smoke and Mirrors: The Canadian tobacco war* Daniel Ray Farley, 2008-07-01

A lyrical poetry story book. 1977-2007, a whimsical diary in time. Concept of a mystical year in seasons of riddle and rhyme. Explode in a furious rampage, dissipate across oblivion skies. Be as one with what you write, walk insanity's thin, obscure line. Fuse both spiritual and carnal together, shake them up and twirl them about. Fly in rainbow shades of infinity, but most of all, Be Yourself.

Aztec world      *The Halls of Montezuma* Michael Cantwell, 2012-11 Fourteen year old Peter Collins cannot help but wonder if it was all just a dream Even though it has been two years since he traveled back in time to ancient Mexico with his friend Rosa Guzman two questions continue to haunt him Why hasn't Quetzalcoatl the plumed serpent who guided Rosa and him through their time travels returned as he had promised Who is his real father Peter knows the secret will be revealed once he passes his final test When Quetzalcoatl finally shows up the boy cannot help but feel a little anxious about his most important mission to date After Peter and Rosa travel back in time once more to the last days of the Aztec Empire they are taken to Lord Montezuma who declares that Topiltzin the incarnation of Quetzalcoatl is returning to reclaim his throne When he hears hostile warriors are advancing toward the capital Montezuma is convinced their leader is Topiltzin and decides to welcome him to avoid a war of all the gods But unfortunately Montezuma could not be more wrong In the exciting conclusion to the Tollan Trilogy two teenage adventurers must create peace between the conquerors and the people of ancient Mexico before the future of America is changed forever and Peter's past is finally revealed Cantwell concludes his Tollan trilogy with high school time traveler Peter Collins' greatest adventure yet In previous books in the series Peter and his friend Rosa traveled to ancient Mexico with the help of the serpent god Quetzalcoatl Now they journey to Tenochtitlan the city of the Aztecs where they must set history on its right course Tasked with no little feat Peter and Rosa reach the heart of one of the most contentious times in Mexican history When a conquistador known in Spanish as Cortes comes to the Aztec city Peter and Rosa help Emperor Montezuma deal with the newcomer Together they must figure out if the man is Topiltzin the human reincarnation of Quetzalcoatl or a stranger bent on conquering the city by force Eventually Quetzalcoatl does in fact return and he brings Peter and Rosa forward in history to the city of Choula where they try to bring peace to the nascent country of Mexico by convincing the Spaniards that Mexicans deserve love respect and equality Cantwell superbly recreates ancient Mexico with colorful descriptions of city buildings citizens' attire and specific details like blood in the streets from human sacrifices Despite offering an admirable message for kids the trip to Choula feels out of place and more like a mere detour Additionally readers are swept away before seeing the fall of the Aztecs which is a bit disappointing the end of Topiltzin's story is merely told to reader rather than shown Nonetheless Cantwell brings his trilogy to a satisfying conclusion as Peter and Rosa realize they're more than just friends and Peter finally learns the shocking truth of his parentage      **The Smoke Hunter** Jacquelyn Benson, 2016-09-13 Indiana Jones meets Lara Croft in this debut and engrossing action thriller with the fate of the world in one person's hands RT Book Reviews Frustrated suffragette and would-be archaeologist Ellie Mallory stumbles across a map to a city that shouldn't exist a jungle metropolis alive and flourishing centuries after the Mayan civilization mysteriously collapsed Discovering it would make her career but Ellie isn't the only one after the prize A disgraced professor and his ruthless handler are hot on her heels willing to go any extreme to acquire the map for themselves To race them through the uncharted jungle Ellie needs a guide The only one with the expertise is maverick
