Stirrings Still Samuel Beckett, 2015-09-28 By the winner of the 1969 Nobel Prize for Literature A dense inner monologue Stirrings Still was written by Beckett in 1987 and 1988 when he had become increasingly reflective about his life It portrays in Beckett's spare style a consciousness exploring a self faced with uncertainties about its own existence Stirrings Still is a spellbinding work full of a sense of farewell It is dedicated to Beckett's longtime friend and publisher Barney Rosset Samuel Beckett 1906-1989 was a playwright poet and novelist whose work has had a formative influence on 20th century culture Born in Foxrock Ireland he moved to Paris after an abortive attempt at being an academic Years of penury and obscurity followed during which time he consorted with artists such as James Joyce Alberto Giacometti and Marcel Duchamp During World War II he was an active member of the French Resistance and after the war he was honored with the Croix de Guerre and the Médaille de la Résistance In 1954 Beckett's play Waiting for Godot was introduced to an unsuspecting America by Barney Rosset at Grove Press Beckett became a signature author of the fledgling company Although he was highly regarded by a small circle of literary aficionados it was not until Beckett won the Nobel Prize for Literature in 1969 he famously gave away the prize money that accompanied it that his work began to reach a wider audience His writing is characterized by meticulousness and a ceaseless fascination with the puzzle of fitting words to actions and with the simultaneous impossibility and necessity of doing so that marks the human condition The Ideal Real Paul Davies, 1994 In The Ideal Real Paul Davies argues that Beckett saw this potential self emerging in the world of imagination and symbol especially in this age where language alone has come to be seen as the vehicle of education and the determiner of identity **Samuel Beckett: the**

**Along Heroic Lines** Christopher Ricks,2021 A selection of new and revised essays from eminent scholar and critic Professor Christopher Ricks Christopher Ricks brings together new as well as substantially augmented

critical essays across a wide range. Several derive from his term as the Professor of Poetry at the University of Oxford when his inaugural lecture engaged with the illuminatingly puzzled relations between poetry and prose. Comparison and analysis the tools of the critic as T S Eliot insisted are enlivened by imaginative pairings of Samuel Johnson with Samuel Beckett of Norman Mailer with Dickens of Shakespeare with George Herbert or of secret police surveillance in Ben Jonson's Rome with that of Carmen Bugan's Romania. Along Heroic Lines devotes itself to the heroic and to heroics. Othello cross examined by T S Eliot. Byron and role playing. Ion Bugan political protest and arrest. This knot is in tension with the English heroic line. Dryden's heroic triplets. Henry James's cadences. Geoffrey Hill's concluding book of prose poems and how they choose to conclude. All alert to the balance and sustenance of alternate tones that prose and poetry can achieve in harmony. After Beckett Anthony Uhlmann, Sjeff Houppermans, Bruno Clément, 2004. This volume constitutes a collection of over 40 articles selected from contributions to the Sydney Symposium of January 2003 that as a part of an International Sydney Festival was one of the major events related to Samuel Beckett of the last decade. The three sections of the book reflect the most vibrant fields of research in Beckett studies today: Intertextuality and Theory, Philosophy and Theory, and Textual Genesis, Contextual Genesis, and Language. Scholars from all over the world participating in this collection testify to the durable and universal nature of interest in Beckett's work. Dear Mr. Beckett - Letters from the Publisher Barney Rosset, 2016-10-01. Book Preface by Paul Auster. Foreword by Edward Beckett. Edited by Lois Oppenheim. Curated by Astrid Myers Rosset. You know Barney, I think my writing days are over. Beckett writes in 1954 when most of his output was still ahead of him. And later, Sick of all this old vomit and despair, more and more of ever being able to puke again. In a world where writers switch publishers at the first shake of a martini pitcher, our trans-Atlantic communications seemed to float on a sea of tranquility and trust from Dear Mr. Beckett. Through letters, contracts, photos, interviews, speeches, reviews, and memorabilia, most of which has never before been made public, a rare personal and professional friendship unfolds between these two oddly shy daredevils through their embrace. They shifted and turned the tide of literature in America. Among the many never before published entries: Beckett's discussion about acting with his long-time director Alan Schneider as they huddled with Barney Rosset in his East Hampton quonset hut about their upcoming rehearsal with Buster Keaton. Susan Sontag's correspondence on her Godot production in Sarajevo. The comprehensive Endgame file about the controversial production in Cambridge, Mass, which proceeded against Beckett's wishes. Interviews with Eugene Ionesco and Alain Robbe-Grillet about Beckett and Rosset and the Absurdist. Estelle Parsons' correspondence with Beckett about the actress's proposal to perform Godot with Shelley Winters on Broadway. Comprehensive file on the genesis and development of Beckett's Rockaby with Billie Whitelaw. Comprehensive file on Rosset's termination from Grove, the press he founded and championed. **Seeing Degree Zero** Ryan Bishop, 2019-10-14. In literature and the visual arts, zero degree represents a neutral aesthetic situated in response to and outside of the dominant cultural order. Starting from Roland Barthes' 1953 book *Writing Degree Zero*, this volume examines the historical

theoretical and visual aspects of the term in collaboration with artist and writer Victor Burgin
