and expression will leave no reader unmoved **Quick Quilts Across the Curriculum** Kathy Pike, Jean Mumper, Alice Fiske, 2003 Contains dozens of easy to follow directions on how to construct fun and appealing quilts Includes a Getting to Know You class quilt an Olympics plastic bag quilt a holidays storybook quilt a shape poetry quilt and more *African Americans and the Bible* Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed **Writing Women's History** Elizabeth Anne Payne, 2011-09-13 Contributions by Laura F Edwards Crystal Feimster Glenda E Gilmore Jacquelyn Dowd Hall Darlene Clark Hine Mary Kelley Markeeva Morgan Anne Firor Scott Laurel Thatcher Ulrich and Deborah Gray White Anne Firor Scott s *The Southern Lady From Pedestal to Politics* 1830 1930 stirred a keen interest among historians in both the approach and message of her book Using women s diaries letters and other personal documents Scott brought to life southern women as wives and mothers as members of their communities and churches and as sometimes sassy but rarely passive agents She brilliantly demonstrated that the familiar dichotomies of the personal versus the public the private versus the civic which had dominated traditional scholarship about men could not be made to fit women s lives In doing so she helped to open up vast terrains of women s experiences for historical scholarship This volume based on papers presented at the University of Mississippi s annual Chancellor Porter L Fortune Symposium in Southern History brings together essays by scholars at the forefront of contemporary scholarship on American women s history Each regards *The Southern Lady* as having shaped her historical perspective and inspired her choice of topics in important ways These essays together demonstrate that the power of imagination and scholarly courage manifested in Scott s and other early American women historians work has blossomed into a gracious plentitude
