Stock Associate Video , **Digital Video for Teacher Education** Brendan Calandra, Peter J. Rich, 2014-08-07 Digital video use is becoming prevalent in teacher education as a tool to help improve teaching and learning and for assessing effective teaching. Timely and comprehensive, this volume brings together top scholars from multiple disciplines to provide sound theoretical frameworks, research-based support, and clear practical advice on a variety of unique approaches to using digital video in teacher education programs. Part I deals with the use of video for teacher learning. Part II focuses on the role played by those other than teachers in the effective use of digital video in teacher education programs. Part III addresses how to administer video for teacher education. Exploring the complexities of effectively and appropriately integrating digital video into teacher development at various stages, this book is a must-have resource for scholars and professionals in the field.

**Video Communications** James Wilcox, David Gibson, 2005-01-06 Case studies document how in businesses all across this country people are communicating via videoconferences with broadcast quality reception. The authors detail how the proliferation of IP networks has driven quality improvements and cost savings in **Shoot, Edit, Share** Kirsten Johnson, Jodi Radosh, 2016-09-13 Shoot Edit Share is an interactive, accessible introduction to video production techniques, concepts, and terminology. With the increasing availability of affordable video equipment, many students and professionals need to learn the basics of video production without being overwhelmed by technical details and equipment lists. Covering preproduction, production, editing, in post, and distribution, this book shows you how to produce video quickly and effectively for a range of clients, from commercial firms to community service organizations. Key features include: A companion website including video interviews with professionals that demonstrate and reinforce techniques covered in the book. Service learning exercises that engage readers in real-world learning experiences, encouraging them to interact with their communities and new clients. Clear, easy-to-follow and heavily illustrated guides for all of the equipment and processes that go into video production. Focus on creating stories for a target audience and building convincing and engrossing narrative through videos. A thorough breakdown of all the techniques needed in post-production through editing, well-designed graphics, and quality sound. A best practices guide to viral videos, sharing video content online, and increasing its exposure on social media sites. QR codes throughout the book that when scanned demonstrate video techniques and concepts related to what was read.
