Stolen Innocence Erin Merryn, 2010-01-01 Eleven year old Erin Merryn's life was transformed on the night she was sexually abused by her cousin someone she loved and trusted As the abuse continued and as she was forced to see her abuser over and over again in social situations she struggled with self doubt panic attacks nightmares and the weight of whether or not to tell her terrible secret It wasn't until a traumatic series of events showed her the cost of silence that she chose to speak out in the process destroying both her family and the last of her innocence Through her personal diary written during the years of her abuse Erin Merryn shares her journey through pain and confusion to inner strength and ultimately forgiveness Raw powerful and unflinchingly honest *Stolen Innocence* is the inspiring story of one girl's struggle to become a woman and a bright light on the pain and devastation of abuse *Stolen Innocence* is written with conviction and clarity Erin Merryn doesn't hold back and I respect her honesty and openness By the end of the book I thought I was reading passages from a much older adult than a high school senior Erin has grown into a strong wise intelligent perceptive spiritual caring adult Susan Reedquist The Children's Advocacy Center Family Violence Linda Richards, 2007 Personal narratives written by individuals who have experienced family violence *Living for Today* Erin Merryn, 2010-01-01 Silence Broken and Stigmas Shattered Help for Incest Survivors Is Here Fans of Erin Merryn's heart wrenching debut memoir *Stolen Innocence* were left wondering at the end what would become of an emotionally fragile Erin after her confrontation with the reality of being a child of incest and molestation In *Living for Today* readers find that Erin cultivated the strength to face her abuser and eventually facilitated and experienced relief from years of emotional restlessness while also igniting the beginnings of a new fearless journey *Living for Today* chronicles that journey which began with the unearthing of private shame and releasing of ugly memories and letting go of guilt and becoming the mouthpiece of millions of her generation Through her compelling narrative readers will learn how they too can Learn to look forward in spite of an abusive past Block off any impending guilt from outing an abuser Deal with interfamily strife as a result of incest and molestation Shake off the victim tag and replace it with one that reads survivor *Living for Today* is Merryn's contribution to an audience that has felt victimized ashamed isolated and silenced by its abusers and offers a roadmap for self discovery forgiveness and empowerment to help readers rid the stigma they have attached to their trauma and live fully and fearlessly for today

thirteen year old boy forced to flee home carrying invisible wounds that shape the man he will become To survive abused

children conceal their pain in anger addiction or by people pleasing causing them to lose themselves But Graham refused to let his past be the end of his story Instead he turned his suffering into survival and self discovery As a survivor Graham not only understands the impact childhood abuse has on our adult lives but also has the lived experience and knowledge to guide others through their healing journey *Shattered Innocence* is more than a memoir It s a transformative guide that blends painful truths with heartfelt reflections and practical tools for healing With empathy and first hand experience Graham invites readers into the shadow and the light of recovery offering hope to reclaim their lives *Shattered Innocence* is a triumph of the human spirit and an essential read for anyone who has ever suffered from low self worth shame deep sadness and a feeling of not belonging in this world *My Stolen Innocence* Lynnora Sumblin,2016-11-27 A story of abusive relationships incest spiritual renewal *Innocence Revisited* Cathy Kezelman,2010 *Innocence Revisited* A Tale in Parts is not just another memoir by another victim of child sexual abuse It is an intensely personal story which skilfully weaves a tale back and forth through time and space capturing the confusion and despair of both the child and the adult as she searches for certainty in a world of shadows and falsehood We journey with Cathy as she goes in search of ten lost years of her childhood feeling her suffering acutely but also celebrating her triumphs It is also a vivid portrayal both of the intricate psychological contortions of a child towards psychic survival and of the mental processes of the adult towards a full life This book is a message of hope for those staring death in the face those who cannot see a way forward into a life of health those who daily revisit the terror and abject cruelty of their childhoods and those who fear they are losing their minds and descending into madness It is a landmark book a roadmap to health for those who feel isolated lost and terrified and a reflective guide for the health professionals who work with them In telling her story Cathy displays how an analytical psychotherapeutic process can guide a trauma survivor from confusion through chaos to stability and understanding The story ends with a quiet sense of hope as Cathy having integrated those ten forgotten childhood years enjoys enriched relationships with her family and friends and an untapped enthusiasm for the next phase of her life *Surviving Stolen Innocence* Alicia L. Brown,2016-02-23 *Surviving Stolen Innocence* is my book and personal testimony of how I survived childhood rape God blessed me with a warrior spirit that would not permit me to remain a victim When a joyous event occurred in my brother s life I was forced to face finally the residue of that long buried violation Healing is not an overnight process it requires much work and soul searching In bowing to the process of healing I was able to admit I had a problem accept that I had been sexually violated acknowledge my self worth acquire a new outlook on life and establish a new dating life with God Additionally I came to learn that in order for me to truly live a healthier life I had to embrace endless hours of praying fasting and putting forth genuine effort *Surviving stolen innocence* is an ongoing process of breaking free from the bondage of embarrassment hurt anger disappointment revenge unforgiveness low self esteem unworthiness and any other negative emotion as a result of one s pureness of body mind and life being tainted by another person s immoral or unethical acts These acts or behavior could be but not limited to

rape domestic or emotional abuse bullying false imprisonment or murder of a loved one etc In essence in spite of being a victim of a random impure act choose to be a victor You are well worth the survival Stolen Halo Trish Dinsmoor, 2012-02
