Stone Dance Of The Chameleon:

The Standing Dead Ricardo Pinto, 2003-03 At the heart of The Three Lands there is a paradise filled with beauty and wonders of all kinds A lush and vibrant place it stands in sharp contrast to the baseness and squalor of the world outside the walls of Osrakum But this beauty comes at a cost The Masters who rule the world are driven by sadistic dreams and mythic charms They use their vast powers to leech the resources of the world unto themselves to create an artificial haven where they play out twisted games of power amid a decadent splendor Within the inner circle of power lies a glittering court where the royal houses plot vile atrocities and madness and bestiality hold sway The Masters are nothing less than gods in this realm and their plans or whims can bring either perfect pleasure or death Young Carnelian has spent his entire life in exile with his father a nobleman who rejected the evil ways of his people and fled to the ends of the known world But forces conspired to change all that and Carnelian returned to his homeland He is a sheep among wolves and it has taken every ounce of his strength to resist the temptations of power that threaten to seduce his very soul What Carnelian could never have imagined was that he would fall in love with none other than Osidian one of the twin Gods ruler of his world or that forces far darker than he thought possible would use him as a weapon When the young lovers are kidnapped by the Empress Ykorian and forced from the safety of the empire it appears that their lives are forfeit But Carnelian and Osidian fall into the hands of barbarians from the southern plain they call the Undersky These raiders manage to elude the legions of the Masters and after enduring terrible hardships they succeed in bringing their prizes home to their tribe Carnelian comes to realize that the world is much more bizarre than he could ever imagine that love can sometimes blind you to things that may destroy you that the simple things the heart can teach you will prove to be the most true And that he holds in his hands the potential to save or doom all of his world *The Standing Dead* is the powerful sequel to Ricardo Pinto's first novel *The Chosen* and it continues this unique fantasy series about power eros and madness and the depths a man will go to for love It is the second volume in *The Stone Dance of the Chameleon* series and he is currently at work on the third Ricardo Pinto resides in

Edinburgh Scotland **The Third God** Ricardo Pinto, 2010-07-31 Amidst the massacre he himself helped bring about Carnelian is now desperate to find a way to avoid more carnage But it is too late for that His spurned lover Osidian seeking revenge and determined to win back his stolen throne has deliberately stoked the wrath of the Masters who rule the world from its centre Osrakum Osidian's actions have stirred into motion political events in Osrakum which threaten to overturn the millennial repressive order of the Commonwealth Carnelian learns that he and those he loves are now inextricably enmeshed in the terrible power game of the Masters If he and they are to survive he has no choice but to play that game himself though he does not know how He has no choice but to stand with Osidian in defiance of the invincible power of the Masters No choice but to take his loved ones deeper into peril In his struggle he will find unlooked for allies and guidance with dreadful motives of its own And ultimately he will unleash apocalyptic forces which will bring him and his world to a

reckoning none could have forseen though it has been simmering for four thousand years *The Chosen* Ricardo Pinto,2010-09-30 Carnelian is of the Masters cruel beings who rule their kingdom from an earthly paradise hidden in a crater that is the navel of the world Soon after he is born Carnelian s father takes him across the sea to an island in the colourless north Far from the Crater s rituals and pomp their household is allowed to become a family to the boy and the world of the Masters fades to alluring fairy tale In deepest winter years later a ship comes riding before the gales three Masters her only cargo As these giants remove their masks of gold Carnelian is awed by the light that seems to radiate from their skin In formal conclave they ask Carnelian s father to end his exile and return with them to oversee the election of a new God Emporer His father s agreement feeds Carnelian s longing for the world beyond the sea but as the days pass Carnelian watches with growing horror as the ship s needs devour his home The Masters are indifferent imperious concerned only with their blood politics their majesty As his father becomes strangely powerless Carnelian strives to save his people but when the ship turns her pro towards the stormy sea he knows that he is abandoning them to famine among the ruins of his former home This is the beginning of Carnelian s journey The terror of the tempest yields to the weary grind along the road the climb up the forbidding cliff wall to the Guarded Land and then the frantic rush into the deep south Carnelian s education which began with the starving of his people proceeds with bitter lessons in bloodshed intrigue and betrayal When they finally reach the Canyon of the Three Gates which leads into the Crater Carnelian finds both love and treachery but it is here within the Heaven Wall that he will set in motion the concluding events in a story already ten thousand years old **Stone Dance of the Chameleon** Tom Doherty Associates, LLC, *The Standing Dead* Ricardo Pinto,2010-08-31 THE ACCLAIMED SEQUEL TO THE CHOSEN In desperation the Ruling Lord Suth searches within the sacred walls of Osrakum for Carnelian his son and Osidian the God Emperor elect He suspects the Empress Ykoriana is behind their disappearance and knows that if they are not found soon it is her other son Osidian s brother Molochite who will rule with fearful consequences for the Three Lands Captive of the tribes of the Earthsky Carnelian is for the moment safe and succumbs readily to the seasonal rhythms of tribal life he is convinced by unexpected discoveries that it is fate that has bought him there He grows to love these simple people and hopes for sanctuary among them But the dark forces Carnelian helped unleash in Osrakum begin to cast their shadow over his adopted home He is witness to the awful oppression that the Masters whom the tribesmen call the Standing Dead have been inflicting on them for millennia But even more terrible is the presence Carnelian has unwittingly brought with him Potent and terrifying it threatens everything he now holds dear in this new found world With *The Standing Dead* Ricardo Pinto gives us a tumultuous new chapter in the *Stone Dance of the Chameleon* trilogy and confirms his place as one of fantasy s most singular and literate voices *The Chosen* Ricardo Pinto,1999 **Masters of Science Fiction and Fantasy Art** Karen Haber,2011-06-01 *Masters of Science Fiction and Fantasy Art* profiles and celebrates the work of today s leading practitioners of art of the fantastic as well as a handful of gifted newcomers from around the globe The range and

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Active Grammar Geoff Barton, 2001 Active Grammar shows students how the right choices of grammar and language can improve their writing immeasurably useful for students who have just moved up to secondary school Active Reading sections show how language features are used in real life texts and encourage students to tackle longer pieces of writing
