*Blood Storm* Bill Brooks, 2015-04-28 Business lately has been deadly for Ike Kelly Recent unexpected gunplay has whittled his detective agency down to a single operative a man named John Henry Cole Cole is the only man left when a new assignment comes in from a former lover of Kelly's a woman operating an escort service in the new mining camp of Deadwood in Dakota Territory Three of the young women working for her have been murdered and someone is trying to cover up their deaths It's a dangerous job and Cole is advised that he must take every precaution as if he needed such advice The legendary Wild Bill Hickok was recently murdered at Deadwood and Calamity Jane Canary and Doc Holliday are among Cole's potential suspects Add that to a corrupt constable and a bounty hunter who just happens to be an old enemy of Cole's and it's clear there are many who will not welcome his arrival in Deadwood Cole is a lonely man in a lonely profession and finding a murderer in the wild mining camp could be less of a challenge than simply staying alive Using real life characters and settings from one of the most notorious times in the history of the Wild West veteran author Bill Brooks spins another edge of your seat thriller Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
