Stone Murders:

Alice Leighton; or the Murders at the Druid's Stones Thomas FROST,1857 *Strange Tales of Crime and Murder in Southern Indiana* Keven McQueen,2009-10-14 The author of *Horror in the Heartland* delves deep into the dark and sordid annals of the region where Hoosier history began Prepare to take a tour of some dark strange moments of southern Indiana s history From the scheming wife who wanted her dull husband out of the way to make room for a young love affair and the husband who stomped his wife to death because she wouldn t stop singing an irritating song to the man who murdered an entire family to pay off some farming equipment and the case of a mistaken identity murder author Keven McQueen relates the sinister or not so motives and gruesome details of nine murders that occurred in southern Indiana between 1880 and 1912 With a detailed if macabre look at each story as well as the ambiguities surrounding the criminals and punishments McQueen illuminates the darker side of Hoosier history Includes photos **31 Murders** Alvin A.J. Esau,2024-02-28 Many decades before Ted Bundy roamed the country there was serial killer Earle Nelson During the 1920s this geographically mobile killer went from city to city His modus operandi involved getting into a house by pretending to be a person looking for a room to rent or inspecting a house that was for sale and then strangling the landlady often followed by having sex with the dead body Robbery was frequently a secondary motive After Nelson was captured in Canada in 1927 it was commonly reported that he had killed 21 women and a baby during the 1926-27 period But were these the only cases linked to him The author examines an additional nine unsolved murders of landladies two of which have never been dealt with in previous literature Based on decades of archival research the author examines all 31 murders relying on primary sources when available and a wide variety of secondary sources For each murder the book provides biographical sketches of the victim outlines the police investigation and the various suspects and covers any subsequent attempts to link Nelson to the crime by identification evidence of witnesses or by fingerprints **The Bridge Murders** J. T. Matthews,2010 **The Killing Stones** Ann Cleeves,2025-09-30 The *Killing Stones* marks the eagerly awaited return of Ann Cleeves beloved detective Jimmy Perez from the *Shetland* series and a gripping new investigation with a stunning new setting This novel is more than worth every minute you spend with it David Baldacci 1 New York Times bestselling author It s been several years since Detective Jimmy Perez left *Shetland* He has settled into his new home in Orkney the group of islands off the northern coast of Scotland with his partner Willow Reeve and their growing family One stormy winter night his oldest and closest friend Archie Stout goes missing Ever the detective Perez catches a boat to the island of Westray where Archie worked as a farmer and lived with his wife and children But when he arrives he finds a shocking scene Archie s body on an archaeological dig site and an ancient Westray story stone with precise spirals carved into it beside him the clear murder weapon The artifact taken from a nearby museum seems to suggest a premediated murder But Perez is so close to the case that he struggles to maintain an objective distance from the potential suspects He finds it difficult to question Archie s wife whom he s known for years

Rumors swirl about the dead man's relationship with a young woman new to the island an artist With each new lead the case becomes more twisted and Perez wonders if he will ever find out what happened in his friend's final days **Stone's**

soldiers who served his country in one of the Florida Seminole Wars the Mexican War Gold Rush California and finally the Civil War His family had no memory or record of his extraordinary life of adventure which included hard Federal military service in 1840 s Florida front line combat in the Mexican War being shot in the shoulder in a battle with California Indians during the Gold Rush homesteading in frontier Illinois and finally dying as a Union officer in the Civil War A haunting photo he had taken for his wife and children before he went off to his final war was the only trace of him that remained 150 years later Using the Federal Archives in Washington D C specialized history libraries in California and Wisconsin and with significant help from amateur historians who form a unique Internet community the author recovers Peter Curry s remarkable life from his enlistment in New York City in 1840 to his 1863 military funeral in Civil War Arkansas *Murder Most Foul* Karen HALTTUNEN,2009-06-30 Karen Halttunen explores the changing view of murder from early New England sermons read at the public execution of murderers through the nineteenth century when secular and sensational accounts replaced the sacred treatment of the crime to today s true crime literature and tabloid reports *Enigma* Jesus Mendez,2006-06 Graves Stone was the FBI s elite profiler but a close call with a sadistic murderer lands him in the hospital with a diagnosis of mental instability Now seventeen months later he is still recovering from his ordeal while a terrifying nightmare haunts his dreams Stone receives a phone call from the head of the Miami FBI field office that plunges him back into profiling But the copycat killer eerily mimics one of Stone s previous cases The new murders mirror the old ones to such a degree that Stone begins to doubt that they captured the real killer As he scrambles to unravel the mystery of the copycat killer dubbed Pointer another serial killer a female who murders Catholic priests and carves the word Grace into their chest continues her killing spree With the help of his psychologist friend Dr Toni Preston Stone faces his fears and begins a cat and mouse game with Pointer who has already killed eight women As the pieces begin to fall into place about Pointer Stone realizes he has overlooked a crucial clue that will break the Grace murders wide open But he is unprepared for the truth about the Grace killer whose identity has remained an enigma through twenty seven murders **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were

covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
