Stoney The Road We've Trod David Walkers Concept Of Freedom:

Stoney the Road We've Trod Martin Luther Johnson, 2004-01-28 This book is a compilation of some of the many wondrous works done by Mr Paul Poof Tardiff Poof is the local historian in the Berlin New Hampshire area His countless hours of research have brought him and his readers a little closer to understanding the full dynamics of the hard work suffering accomplishments and heritage of the people of Berlin s days gone by With that understanding comes a deeper appreciation for this little Paper City nestled high atop the mountain range of northern New Hampshire These stories first appeared in the Berlin Daily Sun newspaper one of two small edition papers that cover the events of the area It was with good fortune that I met Poof and was able to start a working relationship with him Getting his stories to a larger audience spread around the world was a goal I gladly shared with him as together we hurdled the obstacles of producing these works and getting them into a brighter light Many Berlinites have wandered forth from this mountain home and have chosen to settle in points outside of the area It is through the appearance of these stories on my website www.dunordberlinnh.us that Poof has achieved a greater fame and familiarity with these readers Whether local or distant many Berlinites eagerly look forward to reading the next weekly story A story to rekindle the spark of imagination and memory in the minds of the older folks many of whom have been exposed to some of these events as they unfolded They also light the fires of imagination and wonder in the minds of the newer generations as they explore the heritage of this little city which they call home The addition of an interactive guest book on the site has proven that these stories are warranted and desired by those that were raised here And some that were not The entries we find in the guest book attest to the value of the service we provide Week by week a little more of Berlin s rich colorful history is researched and shared for all those who care to read all about it

Stoney the Road We've Trod Martin Luther Johnson, 2022-03-31 Convinced that the final chapter on the life and works of David Walker has not been fully written nor appreciated Dr Johnson seeks to present additional insights into the life and struggles of Walker for liberation It is an approach that gets at the core of American Racism and to present a challenge to current and future generations in order to pursue clarifications of and answers to the inconsistencies between America s White Slave System Christianity and the message of the Jesus of history Dr Leonard L Lovett Ph D is a noted Scholar and author He is the Ecumenical Officer and director of Urban Affairs Church of God in Christ Deeply rooted in this work is the urging to re read Black History specifically and American History in general in order to arrive at a point in order to engage in creative and positive dialogue as to the true nature and degrading realities of chattel slavery in the United States of America Because theological themes of racism liberation and social justice are pervading foci of this search as well as is the New Testament Bible one must get in touch with the Jesus of history as He is presented therein Subsequently in order to get a better glimpse of the Christ of Faith one must take seriously the mandate set forth therein Luke 4 18 19 In order to arrive at that point on one s spiritual and academic pursuits the element of faith and divine relationship Thus allowing for a deeper

Religious Education in the African American Tradition Kenneth H. Prophetic Peril Thomas M. Fuerst, 2025-02-17 Prophecy reimagines the world It critiques what is and encourages its audience to imagine what could be All prophecy therefore begins with a person willing to reimagine their own situation In the biblical and African American traditions this person receives a call to prophetic ministry that upends their reality and compels them to change the way things are

Prophetic Peril The Rhetoric of Nineteenth Century African American Prophetic Call Narratives invites readers into the imaginative subversive and ethically complicated stories of four nineteenth century Black figures who received the call to challenge the what is and live into the what could be in the midst of a hard hearted world Focusing on the prophetic call narratives of Maria Stewart Nat Turner Julia Foote and Richard Allen author Thomas M Fuerst offers insight into the unique contributions this tradition makes to American oratory storytelling history ethics theology and protest As Fuerst demonstrates Turner's call narrative subverts white political interests and expands politics to include the resistance rhetoric and witness of those on the margins Allen's apologetic narration combines deeply thoughtful Protestant exegesis with a liberation theology shaped by the experience of enslavement anchoring his rhetorical power in the experience of Black people in the nineteenth century The call narratives of Stewart and Foote circumvent patriarchy and resist patriarchal interpretations of the Bible through biblical embodied dramatic visionary appeals that sidestep persuasion and demand either acceptance or rejection Taken together these case studies reveal how antebellum Black preachers used religious storytelling to resist white patriarchal oppression and assert their own voices offering unique insight to our understanding of prophecy and resistance
