**M Mark**

## **Stop Dwi Successful Community Responses To Drunk Driving:**

**Stop DWI** Denis Foley, 1986 *New York Court of Appeals. Records and Briefs.* New York (State)., **The Generality of Deviance** Travis Hirschi, 2018-01-16 First Published in 2018 The Generality of Deviance advances the idea that all forms of deviant criminal reckless and sinful behavior have one thing in common the tendency to pursue immediate benefits without concern for long term costs The editors argue and the contributors confirm that such disparate behaviors as smoking auto accidents burglary and rape are similar in that they all involve disregard for their inevitable consequences poor health injury loss of freedom shame or disrepute The chapters here show how various forms of deviance relate to one another and can be explained by a common theory involving self management The editors illustrate how the idea of self control challenges the psychological concept of aggression and provides a more useful alternative for understanding deviant behavior They also apply the theory to the family showing how this institution is central to crime control Other contributors bring fresh perspectives to a variety of topics the uncanny similarities between victims of car accidents and perpetrators of crime the connection between drugs and crime feminist explanations of rape gender differences in crime rates drunk drivers among high school students and the progression of a delinquent's life from adolescence to adulthood In short this book makes a convincing case that it is a waste of intellectual effort and public funds to treat different forms of crime and deviant behavior as distinct problems Studied collectively various crimes may be seen to have the same causes and hence one cure The Generality of Deviance will be a significant and provocative addition to the libraries of criminologists psychologists and sociologists those attempting to solve as well as to identify problems **Effective Outpatient Treatment for Alcohol**

**Abusers and Drinking Drivers** John S. Crandell, 1987 Bibliography of Agriculture with Subject Index, 1988-10

*Drinking and Driving* Northwestern University (Evanston, Ill.). Traffic Institute, 1987 Strategies for Success: Combating Juvenile DUI, 1999 **Removing the "high" from the Highways** Jack D. Jernigan, 1992 Beginning on April 1 1988 a revision to Virginia law gave police officers the authority to require an individual suspected of drug related driving under the influence DUI to submit a blood sample to be tested for drugs Concurrent with the implementation of the revised law Virginia initiated a pilot Drug Recognition Technician DRT Program which concentrates on training police officers to detect the signs of impairment consistent with seven broad categories of drugs This study evaluated the impact of the revised law and the DRT program on arrests and convictions for drug related DUI between 1988 and 1990 Additionally this study investigated whether there was a spillover effect on alcohol related arrests and convictions and on alcohol related injury and fatality rates Drug related DUI arrests increased in 1988 but declined somewhat in 1989 and 1990 however the DUI conviction rate for drug related cases remained relatively stable Generally if a drug was detected there was a 40% to 70% DUI conviction rate depending on the type of drug detected If no drug was detected the DUI conviction rate was less than 25% Although the revised law encouraged officers to make more arrests for drug related DUI there is no evidence that it

functioned to reduce fatalities and injuries Further even though the DRT program helped to increase arrests for drug related  
 DUI DRT cases were no more likely than non DRT cases to result in a conviction However there is some evidence that the  
 DRT program had a positive influence on the arrest rate for alcohol related DUI Several recommendations are made for  
 revitalizing both the DRT program and the statewide emphasis on drug related DUI     **Understanding Social Science**  
**Research** Geoffrey P. Alpert, John Michael MacDonald, 2001     **American Journal of Public Health** ,1989 Includes section  
 Books and reports     Alcohol, Drugs, and Driving ,1987     *Saturation Patrols Targeting Impaired Driving - Guidelines for*  
*Community-based Alcohol Enforcement Programs* ,1993     **Once is Enough** New York (State). Legislature. Legislative  
 Commission on Critical Transportation Choices, 1990     **Presidential Commission on Drunk Driving** United States.  
 Presidential Commission on Drunk Driving, 1983     *Bibliography of Agriculture* ,1989     **Drugs, Crime, and the Criminal**  
**Justice System** Ralph A. Weisheit, 1990     **Strategies for Success** ,1999     Transportation Research Record ,1993  
Measures to Combat Drunk Driving United States. Congress. Senate. Committee on Commerce, Science, and  
 Transportation. Subcommittee on Surface Transportation, 1984     Hispanic Journal of Behavioral Sciences ,1986
