Stopping By Herb Moore, Kathy Moore, 2017-03-13 Throughout our marriage of 50 plus years one thing that we have consistently agreed upon is the inclusion of animals in our lives The remembrances in this book recall stories of some of the dogs cats horses and other animals that have shared their time and space with our family Often relationships with these amazing animals brought us joy at times they brought a bit of sadness but always we were enriched in some way The many lessons we learned helped us to care for future animals and to open our hearts and minds to what they had to teach us As we explored our memories and gathered our pictures one animal story led to the recollection of another then another The remembering brought laughter gratitude a sense of wonder and sometimes tears In these pages you will find stories about the uniqueness of many of our animals including Erichs ingenuity Docs problem solving skills K C s dedication and Buddys impeccable training We hope you will see a reflection of you and your animal friends in the telling of these stories Herb and Kathy Moore Stopping by ,1988 Stopping by Woods Owen D.V.
