Stopping The Torture Trade:

Stopping the Torture Trade Amnesty International,2001 Torturers rely on foreign governments for the tools of their trade and expertise in how to use them Some governments are directly involved while others turn a blind eye This book provides an account of the trade and traces the governments that have shown the political will to put an end to this trade The No-nonsense Guide to the Arms Trade Gideon Burrows,2002 The ending of the Cold War was supposed to increase global security and divert expenditure previously earmarked for arms purchases to more constructive ends Instead the arms trade has flourished Not only conventional arms but also police and surveillance equipment have been provided by Western countries seeking to make a profit from conflict in unstable parts of the world Foreign debt has remained high development has been held back and human rights have been systematically abused all with the connivance of an arms trade prepared to turn a blind eye to the uses to which increasingly sophisticated weaponry is put so long as hefty profits can be reaped This disturbing book names the players in the arms trade and charts the impact that it has had on war human rights and development The financial and trade mechanisms that permit the arms trade to continue are revealed amid sordid tales of bribery and corruption Gideon Burrows concludes his examination by reviewing the ways in which this trade can be controlled or even abolished *Non-lethal Weapons as Legitimizing Forces?* Brian Rappert,2003 As mankind finds ever more impious ways to kill and maim some look to non lethal weapons as a fix Brian Rappert discusses the technologies involved and the ethics of for example blinding someone with a laser leaving them blind forever versus killing them outright

An Introduction to Catholic Social Thought Michael P. Hornsby-Smith,2006-11-09 An overview of Catholic social thought both official and non official particularly in recent decades first published in 2006 *Stopping the Torture Trade* , Amnesty International offers access in PDF format to the report *Stopping the Torture Trade* as part of the organization s worldwide campaign against torture The report focuses on efforts to stop countries from selling tools used for torture such as shackles leg irons and thumbscrews among others

Universal Rights, Systemic Violations, and Cultural Relativism in Morocco O. Glacier,2013-11-06 Are universal rights bound to colonialism Are they culturally imperialistic By juxtaposing Morocco s practice of torture with its discourse of cultural relativism this study links popular resistance to universal rights to a deliberate politics that delegitimizes those very same rights requiring a new more inclusive system of universalism

Torture, Truth and Justice Elizabeth Stanley,2008-10-27 Building on observations documentary analysis and over seventy interviews with both torture victims and transitional justice workers this book explores how torture was used suffered and resisted in Timor Leste **Stopping the Torture Trade** Amnesty International USA.,2001 Part of the Amnesty International s worldwide campaign against torture focusing on efforts to stop countries from selling shackles leg irons and thumbscrews among other such devices The Arms Trade and International Law Zeray Yihdego,2007-11-16 Shortlisted for the 2008 Young Authors Inner Temple Book Prize There are believed to be about 700 million small arms and light weapons

SALW in the world often contributing to highly destabilising security and other concerns in international law SALW are the primary source of violations and abuses of humanitarian and human rights principles by states rebels terrorists and criminals Many consider them the real weapons of mass destruction of our time causing about half a million deaths annually The unrestricted international transfer of SALW by states 99 states and 1000 companies involved in manufacturing and supply is one of the major contributory and aggravating factors of this crisis another is the illicit traffic in small arms This book deals with the proliferation of SALW and their unregulated trade and transfer across borders It addresses questions of definition manufacturing trade transfer and issues relating to state responsibility The primary focus is on conventional small arms in particular military style weapons The book tackles the core and most divisive legal problem of whether or not the laws relating to arms control and relevant norms of international law provide substantive restrictions upon the transfer of small arms by states The application of the norms of international peace and security non intervention humanitarian and human rights laws and evolved relevant customary rules of arms control relating to these norms are considered particularly carefully Questions of application and enforcement of relevant rules and institutional responses to the problem are also examined The UN began considering an arms trade treaty in 2006 the publication of the book at this critical moment in time will make a positive contribution towards shaping the debate and aims to further enhance understanding in an area where close analysis is required

Decolonizing the Criminal Question Ana J. Aliverti, Ana Aliverti, Henrique Carvalho, Anastasia Chamberlen, Máximo Sozzo, 2023 This volume explores the uneasy relationship between crime crime control and colonialism foregrounding the relevance of the legacies of this relationship to criminological enquiries It invites and pursues a better understanding of the links between imperialism and colonialism on the one hand and nationalism and globalisation on the other

Crime John Muncie, Deborah Talbot, Reece Walters, 2014-05-22 Crime Local and Global and its sister text Criminal Justice Local and Global are two new teaching texts that aim to equip the reader with a critical understanding of the globally contested nature of crime and justice Through an examination of key concepts and criminological approaches the books illuminate the different ways in which crime is constructed conceived and controlled International case studies are used to demonstrate how crime and justice are historically and geographically located in terms of the global local context and how processes of criminalisation and punishment are mediated in contemporary societies Crime Local and Global covers the way local events such as prostitution have wider aspects than previously thought Links with people traffickers international organised crime and violence cannot be ignored any longer Each crime or area of activity selected within this text has a global reach and is made ever more possible due to the way globalisation has opened up markets both legitimate and illegitimate The book's approach and scope emphasises that we can no longer view crime as something which occurs within certain jurisdictions at certain times and in particular places For example the chapter on cybercrime highlights the illegal acts that can be perpetrated by second lifers anywhere in the world but are they a crime

Interventions E. Castelli, J.

Jakobsen,2004-11-26 This collection brings together top scholars to discuss the significance of violence from a global perspective and the intersections between the global structures of violence and more localized and intimate forms of violence Activists and academics consider questions such as are there situations in which violence should be politically supported Are non violent or anti war movements in the US able to effectively respond to violence Do we need to rethink our understanding of both religion and secularism in light of the current world situation Have new paradigms been developed in response to violence The essays in this collection offer inclusive analysis of particular situations and creative alternatives to the omnipresence of violence

Chemical Control Michael Crowley,2016-01-26 This thoroughly researched study highlights the international community s failure to regulate contemporary state research development marketing and or deployment of riot control agents and incapacitating chemical agent weapons

International Handbook of Violence Research

Wilhelm Heitmeyer,John Hagan,2005-08-12 An international manual is like a world cruise a once in a lifetime experience All the more reason to consider carefully whether it is necessary This can hardly be the case if previous research in the selected field has already been the subject of an earlier review or even several competing surveys On the other hand more thorough study is necessary if the intensity and scope of research are increasing without comprehensive assessments That was the situation in Western societies when work began on this project in the summer of 1998 It was then too that the challenges emerged any manual espe cially an international one is a very special type of text which is anything but routine It calls for a special effort the state of the art has to be documented for selected subject areas and its presentation made as compelling as possible The editors were delighted therefore by the cooperation and commitment shown by the eighty one contributors from ten countries who were recruited to write on the sixty two different topics by the constructive way in which any requests for changes were dealt with and by the patient response to our many queries This volume is the result of a long process It began with the first drafts outlining the structure of the work which were submitted to various distinguished colleagues Friedheim Neidhardt of Berlin Gertrud Nunner Winkler of Munich and Roland Eckert of Trier to name only a few supplied valuable comments at this stage

Justice Ignited Brian Martin,2007 Attacks can backfire on attackers sometimes spectacularly Examples include the beating of Rodney King by Los Angeles police in 1991 the surveillance of Ralph Nader in 1965 and the invasion of Iraq in 2003 Attackers often inhibit adverse reactions by covering up the attack devaluing the target and using other methods Through numerous detailed case studies Justice Ignited reveals the most promising tactics that can make unfair attacks backfire

Purging the Odious Scourge of Atrocities Bruce Cronin,2023 In Purging the Odious Scourge of Atrocities Bruce Cronin explains the growth of a small body of human rights law that bans the use of violence against a state s own population when it is deemed a mass atrocity regardless of whether they have accepted it by signing treaties or whether it is consistent with widespread state practice Specifically Cronin offers a theory of international law that explains how the international community developed universal bans on genocide widespread systematic attacks on civilian

populations torture and the violation of civilian immunity in civil wars By allowing us to rethink the mechanisms that give international law actual force *Purging the Odious Scourge of Atrocities* promises to reshape our understanding of why states abide by human rights norms they never consented to by treaty The Critical Criminology Companion Thalia Anthony,Chris Cunneen,2008 This book brings together the major Australian and New Zealand theorists in Critical Criminology The chapters represent the contribution of these authors in both their established work and their recent scholarship It includes new approaches to theory methodology case studies and contemporary issues Federal Trade Commission Decisions United States. Federal Trade Commission,1941 **Stop the Killing Train** Michael Albert,1994 This book does not simply say no to the killing train It says yes to justice and liberation offering detailed glimpses of what society could be like and strategic advice for how to get there *U.S.-China Trade Relations and Renewal of China's Most-favored-nation Status* United States. Congress. House. Committee on Ways and Means. Subcommittee on Trade,1999
