*Floating Axheads* Deborah

Shaffer,2011-07-12 The Christian Church in the United States is driving out many believers in Jesus Hypocrisy legalism and irrelevance are just some of the forces behind this mass exodus of people What can be done to reverse this trend and bring back the power that has been lacking in the house of God Floating Axe Heads Biblical Truths Submerged in Religion will bring to the surface a real look at some of today s issues and what the Bible has to say concerning these issues Author Deb Shaffer gives the reader an expos of modern Christianity using twenty three years of personal experience in a born again quest to discover a living God and the power of the Holy Spirit How long will dead churches and demonic spirits empower manmade theologies and render Jesus obsolete Are we experiencing the result of throwing the baby out with the bath water Spiritual recovery is dependant on our willingness to be transparent and our ability to admit our mistakes Transforming Culture Christine Gunn-Danforth,2009-01-01 This book introduces Jonahre a Biblically based Prophetic Imagination cinematic genre Jonahre can be implemented by following a three phase interdisciplinary process that allows production teams to submit their content intent style and format to reflect a Biblical pattern of storytelling and establish an alternative consciousness with the audience When implemented this process creates a powerful tool for transforming culture by combining communication theory and theology into a mold for communicating Spirit filled messages via moving image media The first in a trilogy of Jonahre films will be released November 2009 Hope Delivered Rob Hoskins,2012 Demonstrating the love of God one child at a time Without help many children families communities and nations in our world are destined for despair pain and destruction But the most important thing we can give them is not food medicine education or any other material resource It is hope Rob Hoskins has shared God s good news with more than 850 million children and youth through his nonprofit OneHope In Hope Delivered he tells the miraculous stories of people families and communities whose lives have been transformed When God s Word is discovered engaged and lived out especially by children who hold the future in their hands and have a God given disposition toward hope it changes destinies All royalties from the sale of this book will go to the ministry of OneHope *Western Christian Advocate* ,1898 The Historical Christ and the Jesus of Faith C. Stephen Evans,1996-04-18 The story of Jesus of Nazareth as recounted in the New Testament has always been understood by the church to be historically true It is an account of the life death and resurrection of a real person whose links with history are firmly signalled in the creeds of the early church which affirm that Jesus suffered under Pontius Pilate Contemporary historical scholarship has however called into question the reliability of the church s version of this story and thereby raised the question as to whether ordinary people can know its historical truth This book argues that the historicity of the story still matters and that its religious significance cannot be captured by the category of non historical myth The commonly drawn distinction between the Christ of faith and Jesus of history cannot be maintained The Christ who is the object of faith must be seen as historical the Jesus who is reconstructed by historical scholarship is always shaped by commitments of faith A reconsideration of the Englightenment epistemologies that underlie much historical scholarship shows that historical

knowledge of this story is still possible Such knowledge can be inferential based on historical evidence A careful look at contemporary New Testament studies and the philosophical and literary assumptions upon which it rests shows that this scholarship should not undermine the confidence of lay people who believe that they can know that the church s story about Jesus is true

Mary, Mary; Quite the Contrary Joey Massang, 2025-04-10 If a soul loses her devotion to Mary she will immediately be full of darkness and that darkness of which the Holy Ghost says Thou hast appointed darkness and it is night in it shall the beasts of the woods go about This divine mother with her powerful prayers and assistance has obtained for us paradise if we place no obstacle to our entrance there Wherefore those who are servants of Mary and for whom Mary intercedes are as secure of paradise as if they were already there Our Lady wants me to go to two hospitals not to be cured but to suffer more for love of Our Lord and for sinners What were the origins of beliefs such as the ones above How do they compare against the revealed Word of God Who is Our Lady and how can we know if she is the Mary of the Bible Where do these revelations take the believer who believes these are of God These questions are examined in depth in Mary Mary Quite the Contrary with startling conclusions for the Marion follower

A Nation of Outsiders Grace Elizabeth Hale, 2014 A broad cultural history of the postwar US this book traces how middle class white Americans increasingly embraced figures they understood as outsiders and used them to re imagine their own cultural position as marginal and alienated Romanticizing outsiders and becoming rebels middle class whites denied the contradictions between self determination and social connection
