Stories of Mukunda Bro Kriyananda, Swami Kriyananda, J. Walters, 2013-04-30 From the PREFACE These are true stories The fourteen anecdotes are among those that Paramahansa Yogananda recounted to lecture audiences in America or that were told to SRF disciples by his relatives and friends who had known him in his early life in India In his narratives the great Master did not always mention names dates and places He would often start out One time this friend and I and then proceed with the tale Therefore in writing the stories I have not always been certain about the chronology settings and personal names I have found it expedient to bestow fictitious names on certain people in various episodes The only true names are Mukunda Sri Yukteswarji Ananta Roma Prabhas Chandra Ghose and Maid Ma To increase narrative interest in a few instances I have included in one story two or more incidents that in actuality were not closely connected in time During Paramahansaji's last years I had the blessing as a disciple at Mount Washington Center of seeing the Master often In this book I have tried to depict in words which are inadequate at best the spirit of Yoganandaji a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed never afraid to side with a righteous cause however unpopular What wonder that the Master's message of man's divinity was blazoned across the earth even during his lifetime Or that thousands heard and answered it changing their lives with a newborn faith to conform to the ideals set before them by the compassionate Guru BROTHER KRIYANANDA formerly Donald Walters Minister Self Realization Fellowship Church Los Angeles California December 16 1953 **Stories of Mukunda** ,1958

Wisdom of a Yogi Rizwan Virk ,2023-06-12 The impact of the Autobiography wasn't limited to musicians or spiritual seekers Steve Jobs Co founder of Apple Inc which became the world's most valuable company was a big fan and went so far as to say it was one of his favourite books Jobs first read it as a teenager and claimed to have re-read it every year since then Paramahansa Yogananda's Autobiography of a Yogi was one of the most impactful spiritual books of the twentieth century and has travelled around the world inspiring millions to walk the spiritual path But what are twenty-first century spiritual aspirants steeped in technology and science to think of these classic tales of gurus swamis and miracles in the Himalayas Do these tales have relevance today In Wisdom of a Yogi bestselling author entrepreneur and venture capitalist Rizwan Virk brings out the lessons from Yogananda's classic and reinterprets them for the modern age In fourteen unforgettable lessons interweaving stories from the Autobiography with tales of college professors students entrepreneurs and modern seekers Virk brings the ancient lessons of karma yoga meditation and siddhas into the modern age of YouTube video games mobile phones and social media Whether you have never read the Autobiography or have read it multiple times Wisdom of a Yogi will help enhance your spiritual practice in today's increasingly complex cluttered and connected world *Kriyananda* ,1958

Stories of Yogananda's Youth Swami Kriyananda, 2017-11-15 Stories from the youth of Mukunda Lal Ghosh later known to

the world under his monastic name of Paramhansa Yogananda author of the bestselling spiritual classic Autobiography of a Yogi Even in his youth the greatness of this master of yoga was revealed Complements beautifully Yogananda s own autobiography The author Swami Kriyananda a direct and close disciple of Yogananda writes In this book I have tried to depict Yogananda s spirit a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed From the preface Paramhansa Yogananda was born in India in the last decade of the nineteenth century His father a high official in the Bengal Nagpur railway was in a position to offer his children worldly security and success Mukunda s heart however was set on another kind of security and another higher kind of success final victory over ignorance through loving union with God Spurning earthly comforts he sought rigorous training under one of India s greatest living gurus Swami Sri Yukteswar of Serampore Bengal People often make the mistake of equating the spiritual life with dullness and prudery These stories should help to dispel that illusion Mukunda s keen sense of humor and love of pranks often startled his more sedate neighbors out of their mental ruts The personality that emerges from these episodes is joyous compassionate childlike yet fiercely determined loyal deeply in love with God and capable of standing alone in his convictions against the very world These stories have been written from true episodes in the master s life from approximately the ages of six to seventeen Some of the accounts were related to me by his relatives others by childhood friends But the greater number were told me by the master himself I have taken no liberties with those accounts beyond adding superficial details for poetic emphasis an occasionally combining separate episodes too brief to stand alone into a single story

Miracles David L Weddle, 2010-07-09 Despite the dominance of scientific explanation in the modern world at the beginning of the twenty first century faith in miracles remains strong particularly in resurgent forms of traditional religion In Miracles David L Weddle examines how five religious traditions Hinduism Judaism Buddhism Christianity and Islam understand miracles considering how they express popular enthusiasm for wondrous tales how they provoke official regulation because of their potential to disrupt authority and how they are denied by critics within each tradition who regard belief in miracles as an illusory distraction from moral responsibility In dynamic and accessible prose Weddle shows us what miracles are what they mean and why despite overwhelming scientific evidence they are still significant today belief in miracles sustains the hope that if there is a reality that surpasses our ordinary lives it is capable of exercising from time to time creative liberating enlightening and healing power in our world
