#### **The Story of the Milkman and Other Poems** Alan

Walowitz,2019-02-27 Alan Walowitz s poetry can provoke out loud laughter and pensive melancholy better still he can even do both in the same poem He has a particular talent for reconstructing recollections quietly showing us what is moving about them and why as in this volume s splendid title poem Robert Wexelblatt author of The Posthumous Papers of Sidney Fein What I love about Alan Walowitz s poems is the very relatable way in which he captures so many of life s important moments with astute observation wry humor and empathy He has a distinctive voice which infiltrates my synapses and resonates with my heart Betsy Mars author of Alinea Alan Walowitz is neither withholding nor unnecessarily oblique And then there s the welcome wit as he juggles the sometimes Jewish blues in deft narratives that never cease to surprise In his refusal to claim wisdom he is wise And oh so rare to turn a breath into a gasp Estha Weiner author of at the last minute

**The Story Tellers' Magazine** ,1915 **Poems to Ponder** Dale Taylor,2019-06 Dale Taylor wrote this book in the hope that these poems will inspire the reader to slow down and take some time to reflect upon life death relationships nature and their beliefs **HOLIDAY Ultimate Collection: 400+ Christmas Novels, Stories, Poems, Carols & Legends (Illustrated Edition)**

**Subjects in Poetry** Daniel Brown,2021-11-17 Daniel Brown s Subjects in Poetry is the first book to examine the broad and imposing topic of poetic subject matter probing both what poems are about and how that influences the way they re made It comprises one poet s attempt to plumb the nature of his art to ask how the selection of material remains a crucial yet unexplored area of poetic craft and to suggest the vast range of possible subjects for poems The book begins by venturing a novel definition of subject derived from Robert Frost s dictum that poetry constitutes an art of having something to say Brown posits that a poem can say something by expressing evoking or addressing He considers each of these ways of saying in turn first defining it and then looking at poems in which it predominates Brown next makes a wide ranging case for the value of subjects to poems poets and the art of poetry especially at a time when many poems appear subjectless He concludes the book with practical guidance on finding subjects improving them and realizing their potential Replete with thoughtful readings of poems both classic and contemporary Subjects in Poetry should appeal to poets across all levels and readers interested in understanding the art and practice of poetry
