The Collected Poetry of Robinson Jeffers Tim Hunt, 1988 Robinson Jeffers 1887 1962 is not only the greatest poet that California and indeed the American West has produced but a major poet of the twentieth century who occupies a prominent place in the tradition of American prophetic poetry Jeffers consciously set himself apart from the poetry of his generation by physical isolation at his home in Carmel by his unusual poetic form and by his stance as an anti modernist Yet his work represents a profound and profoundly original artistic response to problems that shaped modernist poetry and that still perplex poets today how to reconcile scientific and artistic discourses and modes of vision how to connect present day experience to myths perceived as lying at the origins of human culture how to renew the poetic language and how or whether to present art's claim to moral spiritual or epistemological seriousness within representations of modern phenomena For Jeffers as for no other important modern American poet there has never been a collected poems not even a truly representative selected poems the current Selected Poetry first published in 1938 contains no work from the last three volumes published during Jeffers lifetime or from his posthumous volume Now for the first time all of Jeffers completed poems both published and unpublished are presented in a single comprehensive and textually authoritative edition The first three volumes of this four volume work will present chronologically all of Jeffers published work from 1920 to 1963 The present volume consists of poems published between 1920 and 1928 and includes some of his greatest and best known poems Tamar Roan Stallion The Women at Point Sur and Cawdor as well as a recently discovered long poem Home There is also an Editorial Note and a General Introduction

Rudyard Kipling, 2006-06-29 Rudyard Kipling 1865 1936 is often regarded as the unofficial Laureate of the British Empire Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age Arranged in chronological order this diverse selection of his poetry shows the development of Kipling's talent his deepening maturity and the growing sombreness of his poetic vision Ranging from early exhilarating celebrations of British expansion overseas including *Mandalay* and *Gunga Din* to the dignified and inspirational *If* and the later deeply moving *Epitaphs of the War* inspired by the death of Kipling's only son it clearly illustrates the scope and originality of his work It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century **Collected Poems, 1912-1944**

Hilda Doolittle, 1983 *The Collected Poems 1912 1944* of H D brings together all the shorter poems and poetical sequences of Hilda Doolittle 1886 1961 written before 1945 Divided into four parts this landmark volume now available as a New Directions Paperbook includes the complete *Collected Poems* of 1925 and *Red Roses for Bronze* 1931 **Zen and the Birds of Appetite**

Thomas Merton, 2010-07-27 Merton one of the rare Western thinkers able to feel at home in the philosophies of the East made the wisdom of Asia available to Westerners *Zen*

enriches no one Thomas Merton provocatively writes in his opening statement to *Zen and the Birds of Appetite* one of the last books to be published before his death in 1968 There is no body to be found The birds may come and circle for a while but they soon go elsewhere When they are gone the nothing the no body that was there suddenly appears That is Zen It was there all the time but the scavengers missed it because it was not their kind of prey This gets at the humor paradox and joy that one feels in Merton's discoveries of Zen during the last years of his life a joy very much present in this collection of essays Exploring the relationship between Christianity and Zen especially through his dialogue with the great Zen teacher D T Suzuki the book makes an excellent introduction to a comparative study of these two traditions as well as giving the reader a strong taste of the mature Merton Never does one feel him losing his own faith in these pages rather one feels that faith getting deeply clarified and affirmed Just as the body of Zen cannot be found by the scavengers so too Merton suggests with the eternal truth of Christ

One Arm and Other Stories Tennessee Williams, 1967 Here are the eleven remarkable stories of Tennessee Williams's first volume of short fiction originally published in 1948 and reissued as a paperback in response to an increasingly insistent public demand It was this book which established Williams as a short story writer of the same stature and interest he had shown as a dramatist Each story has qualities that make it memorable In *One Arm* we live through his last hours and memories with a rough trade ex prizefighter who is awaiting execution for murder *The Field of Blue Children* explores some of the strange ways of the human heart in love *Portrait of a Girl in Glass* is a luminous and nostalgic recollection of characters who figure in *The Glass*

Menagerie while *Desire and the Black Masseur* is an excursion into the logic of the macabre *The Yellow Bird* well known through the author's recorded reading of it which tells of a minister's daughter who found a particularly violent but satisfactory way of expiating a load of inherited puritan guilt may well become part of American mythology Arthur Rimbaud Enid Starkie, 1947 This is the fullest and fairest of the half dozen books on Rimbaud in English No single volume so complete exists even in French Roger Shattuck *The New York Times* **Poetry and Story Therapy** Geri Giebel Chavis, 2011 This accessible book explores the therapeutic possibilities of poetry and stories providing techniques for facilitating personally relevant and growth enhancing sessions The author provides ideas for writing activities that emerge from this discussion and explains how participants can create their own poetic and narrative pieces *Washington Irving: History, Tales & Sketches (LOA #16)* Washington Irving, 1831-11-15 Washington Irving's career as a writer began obscurely at age seventeen when his brother's newspaper published his series of comic reports on the theater theater goers fashions balls courtships duels and marriages of his contemporary New York called *Letters of Jonathan Oldstyle Gent* Written in the persona of an elderly gentleman of the old school these letters captured his fellow townsmen at play in their most incongruous attitudes of simple sophistication Irving's next work *Salmagundi* written in collaboration with his brother William and James Kirke Paulding and published at irregular intervals in 1805-06 continued this roguish style of satire and burlesque *A History of New York* publicized by an elaborate hoax in the local newspapers concerning the disappearance of the elderly Diedrich Knickerbocker turned out to be a wild and hilarious spoof that combined real New York history with political satire Quickly reprinted in England it was admired by Walter Scott and Charles Dickens who carried his copy in his pocket In later years as Irving revised and re revised his *History* he softened his gibes at Thomas Jefferson the Dutch and the Yankees of New England this Library of America volume presents the work in its original exuberant robust and unexpurgated form giving modern readers a chance to enjoy the version that brought him immediate international acclaim *The Sketch Book* contains Irving's two best loved stories *Rip Van Winkle* and *The Legend of Sleepy Hollow* It also includes many sketches of English country and city life as well as nostalgic portraits of vanishing traditions like the old celebrations of Christmas A writer of great urbanity and poise acutely sensitive to the nostalgia of a passing age Washington Irving was a central figure in America's emergence on the international scene LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries James Fenimore Cooper: The Leatherstocking Tales Vol. 2 (LOA #27) James Fenimore Cooper, 1850-07-01 When Cooper's most memorable hero Leatherstocking started an American tradition by setting off into the sunset in *The Pioneers* one early reader said of his departure I longed to go with him American readers couldn't get

enough of the Leatherstocking saga collected in two Library of America volumes and fourteen years after he portrayed the death of Natty Bumppo in *The Prairie* Cooper brought him back in *The Pathfinder* or *The Inland Sea* 1841 During the Seven Years War just after the events narrated in *The Last of the Mohicans* Natty brings the daughter of a British sergeant to her father's station on the Great Lakes where the French and their Indian allies are plotting a treacherous ambush Here for the first time he falls in love with a woman before Cooper manages bring off Leatherstocking's most poignant and perhaps his most revealing escape *The Deerslayer* 1842 brings the saga full circle and follows the young Natty on his first warpath Instinctively gifted in the arts of the forest pious in his respect for the unspoiled wilderness on which he loves to gaze honorable to friend and foe alike stoic under torture and cool under fire the young Leatherstocking emerges as Cooper's noblest figure of the American frontier Enacting a rite of passage both for its hero and for the culture he comes to represent this last book in the series glows with a timelessness that readers everywhere will find enchanting LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **Selected Letters** Nicholas
