An Island Like You Judith Ortiz Cofer, 2015-07-28 Judith Ortiz Cofer's Pura Belpr award winning collection of short stories about life in the barrio Rita is exiled to Puerto Rico for a summer with her grandparents after her parents catch her with a boy Luis sits atop a six foot mountain of hubcaps in his father's junkyard working off a sentence for breaking and entering Sandra tries to reconcile her looks to the conventional Latino notion of beauty And Arturo different from his macho classmates fantasizes about escaping his community They are the teenagers of the barrio and this is their world *Stories from El Barrio* Piri Thomas, 2017-11-03 In these eight stories Piri Thomas takes us with him into El Barrio Puerto Rico in New York City and recreates the scenes he knows so well from his own childhood He leads us through streets teeming with life up crumbling front stoops down dark hallways into crowded rooms and into the hearts and minds of his people He takes us into the ring for a hard fought boxing match and out of the city on a Boy Scout outing He sits us in the barber's chair and right under the burning scalp of a kid getting his hair straightened He puts us into a boy's mind for a wild fantasy trip and into the heart of a sixteen year old trying to impress a pretty girl He draws vivid stories from his part experiences and makes us feel what it means to be poor and proud and generous to be streetwise and full of bravado but frightened too to struggle to go straight to be ashamed of being ashamed to dream Piri Thomas who reached thousands of readers with his bestselling autobiography *Down These Mean Streets* now gives young readers a vivid slice of the life in El Barrio a place where people face their problems with energy ingenuity and love Speaking in the voice of the streets and from his heart he captures their spirit their laughter and their hope *An Island Like You* Judith Ortiz Cofer, 2011-04-01 **Stories from the Barrio** Carlos Eliseo Cuéllar, 2003 This work offers a new look at the history of Fort Worth The history of this people includes the stories of early Mexicanos escaping the hardships of the Mexican revolution to the attempts of second generation Mexican Americans to assimilate to their political voice and freedoms **Island Like You** Judith Ortiz Cofer, 1995 *Stories from the Barrio and Other 'Hoods* Margarita B. Velez, 2001-06-19 *STORIES FROM THE BARRIO AND OTHER HOODS* began as a collection of stories for Margarita Velez children She moved around the country with her husband and feared the children would miss the family hearth she experienced as a child She wrote a permanent record of the people customs and traditions that were integral in her life Margarita Velez weaves her recollections of Abuelita Mama Papa and his exploits in the war and an assortment of relatives and other people who influenced her life There's the man who sold bananas and painted his philosophy on cardboard signs nailed to the horsedrawn wagon In charming poignant stories Velez tells about growing up in El Paso Texas where the international flavor of the desert city blends like a good salsa with enough spice to whet anybody's appetite Readers will enjoy Margarita's stories because they are told in a way that makes everyone relate to them *Short Stories of El Barrio* Piri Thomas, 1981* *Recuerdo* Mary Helen Ponce, 1983 *Fort Worth* Harold Rich, 2014-09-29 From its beginnings as an army camp in the 1840s Fort Worth has come to be one of Texas's and the nation's largest cities a

thriving center of culture and commerce But along the way the city's future let alone its present prosperity was anything but certain Fort Worth tells the story of how this landlocked outpost on the arid plains of Texas made and remade itself in its early years setting a pattern of boom and bust progress that would see the city through to the twenty first century Harold Rich takes up the story in 1880 when Fort Worth found itself in the crosshairs of history as the cattle drives that had been such an economic boon became a thing of the past He explores the hard fought struggle that followed with its many stops failures missteps and successes beginning with a single minded commitment to attracting railroads Rail access spurred the growth of a modern municipal infrastructure from paved streets and streetcars to waterworks and made Fort Worth the transportation hub of the Southwest Although the Panic of 1893 marked another setback the arrival of Armour and Swift in 1903 turned the city's fortunes once again by expanding its cattle based economy to include meatpacking With a rich array of data Fort Worth documents the changes wrought upon Fort Worth's economy in succeeding years by packinghouses and military bases the discovery of oil and the growth of a notorious vice district Hell's Half Acre Throughout Rich notes the social trends woven inextricably into this economic history and details the machinations of municipal politics and personalities that give the story of Fort Worth its unique character The first thoroughly researched economic history of the city's early years in more than five decades this book will be an invaluable resource for anyone interested in Fort Worth urban history and municipal development or the history of Texas and the West *Short Stories from El Barrio Libre* Dorothy Chapman Acuna, 2009-06 Contains a short biography of Agustin Acu a Mexican American who grew up in the El Barrio Libre in Tucson Arizona as well as short biographical stories written by Agustin Acu a Tales from the Barrio and Beyond Irma María Olmedo, 2023 Feminism on the Border Sonia Saldívar-Hull, 2000-05-09 Sonia Saldívar Hull's book proposes two moves that will no doubt leave a mark on Chicano a and Latin American Studies as well as in cultural theory The first consists in establishing alliances between Chicana and Latin American writers activists like Gloria Anzaldua and Cherrie Moraga on the one hand and Rigoberta Menchu and Domitilla Barrios de Chungara on the other The second move consists in looking for theories where you can find them in the non places of theories such as prefaces interviews and narratives By underscoring the non places of theories Sonia Saldívar Hull indirectly shows the geopolitical distribution of knowledge between the place of theory in white feminism and the theoretical non places of women of color and of third world women Saldívar Hull has made a signal contribution to Chicano a Studies Latin American Studies and cultural theory Walter D Mignolo author of *Local Histories Global Designs Coloniality Subaltern Knowledges and Border Thinking* This is a major critical claim for the sociohistorical contextualization of Chicanas who are subject to processes of colonization our conditions of existence Through a reading of Anzaldua Cisneros and Viramontes Saldívar Hull asks us to consider how the subalternized text speaks how and why it is muted How do testimonio autobiography and history give shape to the literary where embodied wholeness may be possible It is a critical de centering of American Studies and Mexican Studies as usual as she traces our

The Paradox of Violence in Venezuela David Smilde, Verónica Zubillaga, Rebecca Hanson, 2023-05-30 Crime and violence soared in twenty first century Venezuela even as poverty and inequality decreased contradicting the conventional wisdom that these are the underlying causes of violence The Paradox of Violence in Venezuela explains the rise of violence under both Hugo Chávez and Nicolás Maduro leftist presidents who made considerable investment in social programs and political inclusion Contributors argue that violence arose not from the frustration of inequality or the needs created by poverty but rather from the interrelated factors of a particular type of revolutionary governance extraordinary oil revenues a reliance on militarized policing and the persistence of concentrated disadvantage These factors led to dramatic but unequal economic growth massive institutional and social change and dysfunctional criminal justice policies that destabilized illicit markets and social networks leading to an increase in violent conflict resolution The Paradox of Violence in Venezuela reorients thinking about violence and its relationship to poverty inequality and the state
