Angels Against the Sun James M. Fenelon, 2023-04-18 The Pacific theater of World War II pitted American fighting men against two merciless enemies the relentless Japanese army and the combined forces of monsoons swamps mud privation and disease General Joseph Swing's rowdy paratroopers of the 11th Airborne Division nicknamed the Angels fought in some of the war's most dramatic campaigns from bloody skirmishes in Leyte's unforgiving rainforests to the ferocious battles on Luzon including the hellish urban combat of Manila The Angels were trained as elite shock troops but high American casualties often forced them into action as ground pounding infantrymen Surviving on airdropped supplies and reinforcements the Angels fought their way across nearly impassable terrain emerging as one of the most lethal units in the Pacific War Their final task was the occupation of Japan where they were the first American boots on the ground Angels Against the Sun is an unforgettable

account of the liberation of the Philippines In the tradition of Band of Brothers historian and former paratrooper James M Fenelon offers a grunt s eye view of the war From book jacket Oboe One, Tarakan, 1945 Peter Stanley,2025-07-02 In 1945 the small island of Tarakan off Borneo s coast became the unlikely stage for one of the Second World War s most gruelling campaigns As part of General Douglas MacArthur s plan to liberate the Netherlands Indies Australian soldiers launched Operation Oboe One a mission to capture Tarakan s airstrip What was meant to last three weeks stretched into two months of bitter jungle warfare claiming 240 Australian lives and 1 500 Japanese defenders The airstrip s strategic goal faltered but the courage and sacrifice of those who fought there remain untold Through vivid narratives and exhaustive research Oboe One brings this obscure battle to life uncovering the grit and camaraderie of the Second Australian Imperial Force These citizen soldiers faced dense jungles hidden mines and relentless enemy fire embodying professionalism and resilience in the war s final days Their experiences reveal not just the hardships of combat but the unique ethos of a generation shaped by a vanished Australia an era of robust unpolished camaraderie and quiet determination This compelling account revisits Tarakan through the eyes of its participants and confronts lingering questions about the campaign s necessity Was it a strategic misstep or a justified sacrifice within the larger Pacific war effort Tarakan challenges readers to remember the forgotten honour the fallen and understand the extraordinary men whose lives were forever marked by this brutal campaign For those seeking to explore the human cost of war Tarakan is an essential tribute to courage leadership and the enduring echoes of an extraordinary Australian legacy **To the End of the Earth** John C. McManus,2023-05-02 Winner of the Army Historical Foundation Award for Excellence in U S Army Writing From the liberation of the Philippines to the Japanese surrender the final volume of John C McManus s trilogy on the US Army in the Pacific War Brilliant and riveting a truly great book Gen David Petraeus Triumphant and compelling Richard Frank McManus is one of the best if not the best World War II historians working today World War II magazine The dawn of 1945 finds a US Army at its peak in the Pacific Allied victory over Japan is all but assured The only question is how many more months or years of fight does the enemy have left John C McManus winner of the Gilder Lehrman Prize for Military History concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson s Pulitzer Prize winning Liberation Trilogy with this brilliant final volume On the island of Luzon a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor The Philippines are soon liberated and Allied strategists turn their eyes to China Iwo Jima Okinawa and the Japanese home islands themselves Readers will walk in the boots of American soldiers and officers braving intense heat rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom At the same time this outstanding narrative lays bare the titanic ego and ambition of the Pacific War s most prominent general Douglas MacArthur and the complex challenges he faced in

Japan's unconditional surrender and America's lengthy occupation 31st Spearhead Construction Battalion, 1942-1945 ,

Of Love and War Angela Wanhalla, 2023 *Of Love and War* details the intimate relationships forged during wartime between women and U.S. servicemen stationed in the South Pacific, traces the fate of wartime marriages and addresses consequences for the women and children left behind **Four Brothers in the Pacific War** Chris Pratt, 2022-02-21 Dave Ray Morris and Alex Rohrlach were Australian Lutherans of German descent who served in the Australian Army and Navy in the Pacific during World War Two. In a fascinating biography of the brothers, Chris Pratt chronicles the events of their lives before, during, and in the aftermath of war. Dave, a Lutheran missionary in New Guinea, captained his mission schooner to rescue defeated Australian soldiers from New Britain in the opening months of the war. Ray served in a motorised infantry unit before enduring a year in an isolated malarial outpost in Dutch New Guinea. Morris struggled through two amphibious landings in Japanese-occupied Borneo. Alex survived kamikaze attacks and a battle with a Japanese fleet in the Philippines, to witness from an Australian heavy cruiser the signing of the Japanese surrender in Tokyo Bay. Included are historical maps and photographs provided by the family Learning Under Fire James Scott Powell, 2010 Thrown into the heart of war with little training and even less that would apply to the battles in which they were engaged, the units of the 112th Cavalry Regiment faced not only the Japanese enemy but a rugged environment for which they were ill prepared. They also grappled with the continuing challenge of learning new military skills and tactics across ever-shifting battlefields. The 112th Cavalry Regiment entered federal service in November 1940 as war clouds gathered thick on the horizon. By July 1942, the 112th was headed for the Pacific theater. As the war neared its end, the regiment again had to shift its focus quickly from an anticipated offensive on the Japanese home islands to becoming part of the occupation force in the land of a conquered enemy. James S. Powell thoroughly mines primary documents and buttresses his story with pertinent secondary accounts as he explores in detail the ways in which this military unit adapted to the changing demands of its tactical and strategic environment. He demonstrates that this learning was not simply a matter of steadily building on experience and honing relevant skills. It also required discovering shortcomings and promptly taking action to improve, often while in direct contact with the enemy.
