Stories Jesus Told, 1956 *Stories Jesus Told* John Jay Hughes, 1999 Everyone loves a story And Jesus' audience was no different from ours today Using the parable which the author defines as an earthly story with a heavenly meaning to teach his followers basic truths lessons in right and wrong so to speak was a mark of Jesus' ministry Some like the Good Samaritan and the Prodigal Son are quite familiar while others such as the beggar Lazarus at the rich man's gate are less so The images Jesus in his parables the author says are so simple that they can be understood by children yet so profound that scholars are still pondering them twenty centuries later John Jay Hughes has chosen fourteen stories for this book of meditations whose themes cover trust in God social justice human rights the raising of the lowly forgiveness understanding and more The author's fresh spin on these familiar stories his rich insight and ability to share concrete applications that speak to our culture and time as well as the inclusion of pointed Questions for Reflection at the end of each meditation essay make this a companionable book for contemporary spiritual reading

The Stories Jesus Told Kay

Gabrysch, 2022-05-12 In *The Stories Jesus Told* teacher Kay Gabrysch presents study questions to equip and encourage you to align your mind and heart with the kingdom ethics Jesus taught in his parables. Appropriate for individual use or small groups, this 12-week study explores how Christians are to think Biblically about how the Kingdom of God challenges our present-day thinking. The questions lead to a conversation with Jesus in which the Lord himself reveals both the privileges and responsibilities of those who call themselves Kingdom citizens. This is a tremendous study for any adult alone or with a group. Kay leads us through a careful interpretive process in order to learn deeply from Scripture. Each lesson ensures we observe the text carefully and reference other passages to aid in making theological conclusions. With well-researched notes on the original culture and language, Kay helps us check our biases and assumptions. Then she provides ways for us to respond to what Jesus is teaching in our daily lives: we see ourselves in God's Story and in his Kingdom work. Dr. Tasha Chapman, Professor of Educational Ministries, Covenant Theological Seminary, is thrilled that Kay Gabrysch has published another study guide that helps lead women to a better understanding of God's Word. Her questions and teaching points help to make these parables come alive. We see how Jesus taught to reach hearts and transform them through the use of stories. Do you want your women to know Christ? Study the parables. When our women did this study, we found that it helped all of us—young and old, new believer and mature believer—understand the heart of Christ in new and fresh ways. And more importantly, we are different women because of Christ's revelation of Himself through the parables. Kari Stainback, Director of Women's Ministries, Park Cities Presbyterian Church. In this life-stirring study, Kay allows us to grapple with Jesus' own words. An astute student of the original context, we learn with Kay to discern Jesus as the Bible presents him. Through Jesus' own stories, our hearts are reshaped and formed as we experience and offer his wiser love in the real world. Dr. Zack Eswine, Scholar in Residence, Francis Schaeffer Institute. *Stories Jesus Told* Nick Butterworth, Mick Inkpen, 2025-02-21 **Stories Jesus told us** Su Box, 2018 Provides young children with an introduction to six parables from the New Testament combining simple retellings with beautiful illustrations. **A Myth of Innocence** Burton L. Mack, 1991 This imaginative book is not just a study of the Gospel of Mark but of primitive Christianity in all its variegated forms for which it represents a new paradigm. It deserves serious reflection and discussion at several levels in a variety of contexts by quite diversified discussion partners. James M. Robinson, Professor Emeritus, Claremont Graduate University. This is an epic-making work because it turns scholarship on its head. Mack asks questions not about origins but about social meaning. The entire conception of what we want to know, why we want to know it, and how we shall find it out is new and compelling. Jacob Neusner, Bard College. *A Myth of Innocence* is the most penetrating historical work on the origins of Christianity written by an American scholar in this century. Its strikingly innovative feature is the recombination of literary and social histories and the placement of diverse Jesus movements into their respective social contexts. Werner H. Kelber, *The Catholic Biblical Quarterly*. **The Parables of**
