Men, Homosexuality, and the

Gods Ronald Long, 2013-02-01 Compare worldwide religious regulations involving gay sex and masculinity Men Homosexuality and the Gods An Exploration into the Religious Significance of Male Homosexuality in World Perspective is an eye opening look at the traditions of particular religions and their edicts concerning gay sex This book examines the origins of holy directives involving homosexuality whether forbidden tolerated or mandatory and establishes a link between theology sex roles and the sensitive issue of masculinity This text draws a parallel between homosexuality and the idea of religion suggesting that gay rights can be understood as a freedom of religion issue While most readers are familiar with the traditional Islamic Christian and Hebrew prohibitions against sex between two males this book also reveals other historic religions from around the world that neither opposed nor looked down on homosexuality Men Homosexuality and the Gods argues that masculinity is the universal theme that formed historical interpretation warriors and men of high status could not be sexually receptive or feminine and still be called men This intriguing text shows how the modern homophile movements are in effect redefining masculinity to obliterate the stigma of being a sexually receptive man Men Homosexuality and the Gods examines the significance of homosexuality in such religions as the Sambians of New Guinea the Taoists of Ancient China Plato and the later Stoics Islamic Sufism Native American culture Hebrew Scriptures early Christianity Buddhism Men Homosexuality and the Gods is an enlightening book that honors homosexual claims to moral integrity and appreciates religion and religious figures without rancor Easy to read and free of technical language this volume is for anyone who has an academic professional or personal interest in theology and homosexuality The author is available for speaking engagements and can be contacted at Ronldlong aol com

From Drags to Riches John Wallraff, 2019-08-07 Learn how Charles Pierce achieved stardom and became one of the most famous female impersonators of all time Charles Pierce 1926 1999 was an internationally known and highly successful female impersonator known for his vivid portrayals of Bette Davis Katherine Hepburn and Mae West This book offers a candid look at a career that spanned over fifty years from his humble start at the Pasadena Playhouse to his sold out shows in San Francisco From Drags to Riches provides a rich and colorful history of Charles Pierce In this insightful and moving volume Pierce s friend John Wallraff offers valuable insights about the little known man behind the makeup and captures the essence of what drag stardom is really like This informative imaginative and sexually provocative book contains stories of how famous Hollywood icons shaped Charles Pierce s life and his act Pierce s history from his humble beginnings at the Pasadena Playhouse to his sold out shows in San Francisco and beyond a look at Pierce s private life an examination of the price of fame how successes and failures shape any performer Using the words of Charles Pierce himself adding a dash of humor mixing in fascinating insights and sprinkling in juicy stories of love lust and sex this book is a melting pot of information about a well loved but sometimes misunderstood man

[Getting It On Online](#) John Edward Campbell, 2014-04-04 Learn how gay men use Internet technologies to connect with others sharing their erotic desires and to forge affirming communities online Getting It On Online Cyberspace Gay Male

Sexuality and Embodied Identity examines the online embodied experiences of gay men. At once scholarly and sensual, this unique book is the result of a three-year ethnographic study chronicling the activities on three distinct social scenes in the world of Internet Relay Chat (IRC) virtual spaces constructed by gay men for the erotic exploration of the male body. Examining the vital role the body plays in defining these online spaces offers insight into how gay men negotiate their identities through emerging communication technologies. The author combines a critical look at the role of the body in cyberspace with candid accounts of his own online experiences to challenge conventional views on sex, sexuality, and embodied identity. *Getting It On Online* provides an inside look at three specific online communities: *gaychub*, a community celebrating male obesity; *gaymuscle*, a community formulated around images of the muscular male body; and *gaymusclebears*, a space representing the erotic convergence of the obese and muscular male bodies emerging out of the gay male bear subculture in an effort to unsettle those models of beauty and the erotic depicted in more mainstream media. The book demonstrates how the social position of these men in the physical world in regards to age, race, gender, class, and physical beauty influences their online experiences. Far from a realm of bodiless exultation, *Getting It On Online* illustrates how the flesh remains very much present in cyberspace. *Getting It On Online* examines topics such as why people chat online, the history of IRC, Internet Relay Chat, how people construct their identities in cyberspace, how some online spaces function like virtual gay bars, the concept of online disembodiment, the role the body plays in online social relations, the future of online communication, ethnographic research in cyberspace, mediated images of the male body, and the gay male beauty myth, and much more. *Getting It On Online: Cyberspace, Gay Male Sexuality, and Embodied Identity* is an essential resource for anthropologists, sociologists, and psychologists, academics working in gender studies, queer theory, cultural studies, and cyber culture studies, and anyone interested in gay and lesbian issues and/or cyberspace.

Pederasts and Others William Peniston, 2012-11-12. Examine how a community of support in Nineteenth Century Paris became a blueprint for modern sexual identity. A unique social history. *Pederasts and Others: Urban Culture and Sexual Identity in Nineteenth Century Paris* is a valuable addition to the growing field of gay and lesbian studies. The book examines the interaction between the city's male homosexual subculture and Parisian authority figures who attempted to maintain political and social order during the early years of the French Third Republic by using laws against public indecency and sexual assault to treat same-sex sexuality as a crime. Faced with a constant cycle of surveillance, harassment, and arrest, the city's gay men survived the hostile urban environment by forming a community of support that had a widespread and lasting influence on the development of modern sexual identities. *Pederasts and Others: Urban Culture and Sexual Identity in Nineteenth Century Paris* is based on a statistical analysis of more than 800 working-class and middle-class men who were arrested or investigated by Parisian police between 1873 and 1879. Their stories presented through long and short case studies represent nearly 2,000 names recorded by police in *Pederasts and Others*, a ledger detailing the arrests of male homosexuals for public offenses against decency and

other minor offenses The term pederast identified those suspected of same sex sexual activity not the modern definition that indicates homosexual relations with a minor The ledger entries reveal specific habits attitudes values and characteristics about these men that set them apart the same traits that identified them as part of a community based on their behavior and relationships Pederasts and Others Urban Culture and Sexual Identity in Nineteenth Century Paris examines the forces of authority the laws regarding same sex sexual behavior the role of the police the role of the magistrates the role of the doctors the common characteristics of the city's male homosexual subculture the sexual behaviors of the Paris underground the geography of the subculture and takes an expanded look at three case studies A Decadent Aristocrat and A Delinquent Boy Pederasts Prostitutes and Pickpockets Love and Death in Gay Paris Pederasts and Others Urban Culture and Sexual Identity in Nineteenth Century Paris also includes tables appendices and maps linked to statistical data The book is an essential resource for historians sociologists sexologists criminologists and other scholars working in the fields of gay and lesbian studies urban studies social and cultural history and French history Restoried Selves Kevin Kumashiro, 2013-04-03 Restoried Selves Autobiographies of Queer Asian Pacific American Activists presents the first person accounts of 20 activists life stories that work against common stereotypes shattering misconceptions and dispelling misinformation These autobiographies challenge familial and cultural expectations and values that have traditionally forced queer Asian Pacific Americans into silent shame because of their sexual orientation and or ethnicity Authors share not only their experiences growing up but also how those experiences led them to become social activists speaking out against oppression Many harmful untruths or stories about queer Asian Pacific Americans have been repeated so often they are accepted as fact Restoried Selves Autobiographies of Queer Asian Pacific American Activists provides a forum for voices often ignored in academic literature to re story themselves addressing a range of experiences that includes cultural differences and values conflicts between different generations in a family or between different groups in a community and difficulties and rewards of coming out Those giving voice to their stories through narrative and other writing genres include the transgendered and intersexed community activists youths and parents The stories told in Restoried Selves Autobiographies of Queer Asian Pacific American Activists reflect on personal experiences based on country of origin educational background religion gender and age populations served by activism including the working poor immigrants adoptees youth women and families different arenas of activism including schools governments social services and the Internet issues targeted by activism including affirmative action HIV AIDS education mental health interracial relationships and sexual violence institutions in need of change including legal religious and educational entities and much more Restoried Selves Autobiographies of Queer Asian Pacific American Activists is an essential read for academics and researchers working in Asian American studies ethnic studies gender studies and queer studies and for LGBTQ youth and their parents teachers and social service providers

Lytton Strachey and the Search for Modern Sexual Identity Julie Anne Taddeo, 2012-11-12 Examine Lytton Strachey

s struggle to create a new homosexual identity and voice through his life and work This study of Lytton Strachey one of the neglected voices of early twentieth century England uses his life and work to re evaluate early British modernism and the relationship between Strachey s sexual rebellion and literature A perfect ancillary textbook for courses in history literature and women s studies Lytton Strachey and the Search for Modern Sexual Identity The Last Eminent Victorian contributes to the expanding field of queer studies from an historian s perspective It looks at homosexuality through the eyes of Lytton Strachey as opposed to the too often analyzed Oscar Wilde and E M Forster Questioning the idea that homosexuality is a transgressive rebellion as Strachey as well as scholars on Bloomsbury have insisted this volume focuses on the ongoing conflict between Strachey s Victorian notions of class gender and race and his desire to be modern Linking Strachey s life and work to the larger movement of English modernism Lytton Strachey and the Search for Modern Sexual Identity examines Strachey s role at Cambridge before World War I how he created his version of homosexuality out of the Victorian tradition of male romantic friendship his relations with the British Empire as he constructed a rich fantasy life that rested on racial and class differences his friendships and rivalries with the women of Bloomsbury how Strachey s use of sexuality androgyny and history defined and undermined his brand of modernism This thoughtfully indexed well referenced volume looks at Strachey s life in the words of author Julie Anne Taddeo to illustrate some of the issues concerning his generation of Cambridge and Bloomsbury colleagues and how they battled the Victorian ideology often without success It is an essential read for everyone interested in this fascinating chapter in literary and queer history

Real Queer? David A. B. Murray, 2015-12-03 How do I prove I m gay This is the central question for many refugee claimants who are claiming asylum on the basis of sexual orientation persecution But what are the inherent challenges in obtaining this proof How is the system that assesses this predicated upon homonormative frameworks and nervous borders What is the impact of gender race and class What is an authentic sexual or gender identity and how can it be performed Real Queer is an ethnographic examination of the Canadian refugee apparatus analysing the social cultural political and affective dimensions of a legal and bureaucratic process predicated on separating the authentic from the bogus LGBT refugee Through interviews conversations and participant observation with various participants ranging from refugee claimants to their lawyers Refugee Protection Division staff and local support group workers it reveals the ways in which sexuality simultaneously disrupts and is folded into the nation state s dynamic modes of gate keeping citizenship and identity making and the uneven effects of these discourses and practices on this category of transnational migrants

Queering Borders David A.B. Murray,2016-05-25 In recent years migration has moved to the forefront of national and global debates intensifying discussions about borders security identity and citizenship In this volume we ask how language and sexuality impact these discussions how do sexuality and language contribute toward the construction and maintenance of varying scales of borders How do sexuality and language figure in border crossings across time space embodied differences and culture The contributors to this volume all anthropologists demonstrate how anthropological theories concepts and methods uniquely address the operations of sexuality and language in the making unmaking and remaking of these borders In this volume terminology discourse language choice and other forms of linguistic practice are at the forefront of research on transnational queer im migrant populations allowing us to better understand how language shapes and is shaped by queer peoples movements across borders Originally published in Journal of Language and Sexuality Vol 3 1 2014

How Homophobia Hurts Children Jean M Baker,2013-12-16 Homophobia hurts kids Explore ways to minimize that trauma This book illustrates the ways that children growing up to be gay are harmed by homophobia before anyone including themselves even knows they are gay This compelling and sympathetic volume describes many simple ways that these children can be helped to understand that they can grow up to lead normal lives with hopes and dreams for their futures How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community brings home the voices of these children They describe their experiences to show how they came to the frightening recognition that they are part of a group held in disregard by the rest of society even sometimes by their own families Dr Jean M Baker the author of How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community is a clinical psychologist and the mother of two gay sons In this book she shares her experience as both psychologist and mother to show how the myths and fallacies about homosexuality have influenced parents schools churches and lawmakers to send children the cruel message that if they are gay they are not normal and will not be able to lead normal lives In this unique volume you ll find a chapter on identity development following the Eriksonian model interviews with high school students who are self identified as gay firsthand descriptions of the harassment and victimization of those perceived as gay in schools research on how

victimization at school affects gay youths a discussion of the relatively new phenomenon of gay straight alliances gay support groups or clubs a chapter on transgender identity with interviews with four transsexual persons who describe their personal childhood experiences and their transition process The focus of *How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community* centering on the social and familial experiences of children who will grow up to be gay but have not yet come to that realization is unique But beyond that this book also explains how homophobia affects the attitudes of non gay children by leading them to believe that it is acceptable to mistreat homosexuals Finally specific suggestions are made for changes in parenting and changes in school classroom practices that could help prevent the harm that is inflicted upon so many of our gay children Everyone who comes in contact with children on their way to becoming gay lesbian bisexual transgender adults needs to read this book

The Cambridge Companion to Gay and Lesbian Writing Hugh Stevens, 2011 In the last two decades lesbian and gay studies have transformed literary studies The Cambridge Companion to Gay and Lesbian Writing introduces readers to important concepts methods and cultural and historical debates relevant to the study of sexuality and literature

Torn Apart Judy Rickard, 2011-04-01 The horrors that thousands of lesbian and gay couples face are detailed in this moving political and personal story of immigration and love As Judy and Karin's legal battles reveal when only one half of a gay couple is an American citizen immigration struggles are confounded by the fact that the partners cannot legally marry in most parts of the United States With resources that outline which organizations can help and what the challenges and the realities of this situation are this reference reaches out to couples their friends and family and anyone interested in assisting by offering advice and camaraderie on this subset of the gay marriage issue Royalties from the book which is published in association with Immigration Equality and Out4Immigration go to groups working to overcome immigration denial for gay couples

A Story to Save Your Life Sarah Bishop, 2022-08-16 Winner 2023 OHA Book Award Oral History Association A young woman flees violence in Mexico and seeks protection in the United States only to be trafficked as a domestic worker in the Bronx A decorated immigration judge leaves his post when the policies he proudly upheld capsize in the wake of political turmoil A Gambian translator who was granted asylum herself talks with other African women about how immigration officers expect victims of torture to behave A border patrol officer begins to question the training that instructs him to treat the children he finds in the Arizona desert like criminals Through these and other powerful firsthand accounts *A Story to Save Your Life* offers new insight into the harrowing realities of seeking protection in the United States Sarah C Bishop argues that cultural differences in communication shape every stage of the asylum process playing a major but unexamined role Migrants fleeing persecution must reconstruct the details of their lives so governmental authorities can determine whether their experiences justify protection However Bishop shows many factors influence whether an applicant is perceived as credible from the effects of trauma on the ability to recount an experience chronologically to culturally rooted nonverbal behaviors and displays of emotion For asylum seekers harnessing the power of

autobiographical storytelling can mean the difference between life and death A Story to Save Your Life emphasizes how memory communication and culture intertwine in migrants search for safety *Gene Worship* Gisela Kaplan, Lesley J. Rogers, 2010-08-10 A wonderful antidote to the gene hysteria that is now so dominant What is most exciting about this book is the authors ability to move seamlessly from research on how the brain works to sociology history and philosophy And that I believe is exactly how we need to understand gender neither nature nor nurture but a complex interplay Dr Lynda Birke author of *Feminism and the Biological Body* This work moves beyond the old nature nurture debate concerning what makes us who we are to present a new understanding of gender and sexuality Since the mapping of the human genome there has been widespread coverage of scientific discoveries in the offing and of the host of human problems to be solved through gene therapy from physical defects to mental disease and even so called undesirable behavior As biologists with expertise in neuroscience ethology psychology sociology and human ethos Kaplan and Rogers are uniquely situated to evaluate the claims of their colleagues concerning the knowledge to be gained through the study of our biological make up They caution against the seductive belief that once we understand our biological constitution it is but a short step to complete mastery of human nature Furthermore they show that this belief is yet another example of how science can be subverted to defend the claims of the ruling ideology Gendered Asylum Sara L McKinnon, 2016-09-01 Women filing gender based asylum claims long faced skepticism and outright rejection within the United States immigration system Despite erratic progress the United States still fails to recognize gender as an established category for experiencing persecution Gender exists in a sort of limbo segregated from other aspects of identity and experience Sara L McKinnon exposes racialized rhetorics of violence in politics and charts the development of gender as a category in American asylum law Starting with the late 1980s when gender based requests first emerged in case law McKinnon analyzes gender and sexuality related cases against the backdrop of national and transnational politics Her focus falls on cases as diverse as Guatemalan and Salvadoran women sexually abused during the Dirty Wars and transgender asylum seekers from around the world fleeing brutally violent situations She reviews the claims evidence testimony and message strategies that unfolded in these legal arguments and decisions and illuminates how legal decisions turned gender into a political construct vulnerable to American national and global interests She also explores myriad related aspects of the process including how subjects are racialized and the effects of that racialization and the consequences of policies that position gender as a signifier for women via normative assumptions about sex and heterosexuality Wide ranging and rich with human detail *Gendered Asylum* uses feminist immigration and legal studies to engage one of the hotly debated issues of our time **Queer Migration Politics** Karma R. Chavez, 2013-12-30 Delineating an approach to activism at the intersection of queer rights immigration rights and social justice *Queer Migration Politics* examines a series of coalitional moments in which contemporary activists discover and respond to the predominant rhetoric imagery and ideologies that signal a sense of national identity Karma Chavez analyzes how activists use coalition to articulate

the shared concerns of queer politics and migration politics as both populations seek to imagine their ability to belong in various communities and spaces their relationships to state and regional politics and their relationships to other people whose lives might be very different from their own Advocating a politics of the present and drawing from women of color and queer of color theory this book contends that coalition enables a vital understanding of how queerness and immigration citizenship and belonging and inclusion and exclusion are linked Queer Migration Politics offers activists queer scholars feminists and immigration scholars productive tools for theorizing political efficacy

Whispering the Strategies of Language: An Mental Journey through **Stories Of Gay And Lesbian Immigration**

In a digitally-driven earth where screens reign great and immediate communication drowns out the subtleties of language, the profound techniques and psychological subtleties hidden within words usually get unheard. Stories Of Gay And Lesbian Immigration Introduction

In the digital age, access to information has become easier than ever before. The ability to download Stories Of Gay And Lesbian Immigration has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Stories Of Gay And Lesbian Immigration has opened up a world of possibilities. Downloading Stories Of Gay And Lesbian Immigration provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Stories Of Gay And Lesbian Immigration has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Stories Of Gay And Lesbian Immigration. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Stories Of Gay And Lesbian Immigration. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Stories Of Gay And Lesbian Immigration, users should

also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Stories Of Gay And Lesbian Immigration has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Stories Of Gay And Lesbian Immigration Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
